1. Surveyor's Certificate. To Juniper Peak Real Estate Fund, Evergreen Title Services and Harbor Mutual Life: this is to certify that this map or plat and the survey on which it is based were made in accordance with the 2021 Minimum Standard Detail Requirements for ALTA/NSPS Land Title Surveys. No waiver of any provision shall be effective unless in writing and signed by the party against whom such waiver is sought. The prevailing party in any action to enforce the terms hereof shall be entitled to recover reasonable attorneys' fees and costs.

2. Legal Description. Being a tract of land situated in the county of record, beginning at an iron rod found at the intersection of the north line of Church Boulevard with the east line of the tract; thence N 37° 37' 37" E, a distance of 3737.37 feet to an iron rod set. This instrument shall be binding upon and inure to the benefit of the parties and their respective successors and permitted assigns. Each party represents that it has full power and authority to enter into and perform its obligations hereunder.

3. Survey Note 1. The property contains 2.2 acres, more or less, and has direct access to Church Boulevard, a public right of way. Time is of the essence with respect to each and every provision of this instrument. No waiver of any provision shall be effective unless in writing and signed by the party against whom such waiver is sought.

4. Survey Note 2. Parking: 2222 regular spaces and 22 accessible spaces were counted on the surveyed property. Time is of the essence with respect to each and every provision of this instrument. All notices required or permitted hereunder shall be in writing and delivered by certified mail, nationally recognized overnight courier or electronic mail with confirmation of receipt.

5. Survey Note 3. No evidence of recent earth moving work, building construction or building additions was observed in the process of conducting the fieldwork. Notwithstanding anything to the contrary contained herein, the parties agree that the foregoing shall be construed in accordance with the laws of the State of MA. Each party represents that it has full power and authority to enter into and perform its obligations hereunder.

6. Survey Note 4. The surveyed property lies within Zone X (areas determined to be outside the 0.2% annual chance floodplain) per FIRM panel in effect. If any term is held invalid or unenforceable, the remaining terms shall continue in full force and effect. No waiver of any provision shall be effective unless in writing and signed by the party against whom such waiver is sought.

7. Easements. Utility easements as shown on the face of the survey are plotted to the extent described in the record documents provided in the title commitment. The prevailing party in any action to enforce the terms hereof shall be entitled to recover reasonable attorneys' fees and costs. This instrument shall be binding upon and inure to the benefit of the parties and their respective successors and permitted assigns.
