Operating Performance

Net operating income is projected to grow at a compound annual rate of 7.3% over the hold period. The going-in capitalization rate of 7.65% reflects the in-place income and the stabilized occupancy assumption. A reserve for replacements of $250 per unit has been underwritten in the cash flow below net operating income. Tenants pay percentage rent in addition to base rent and reimburse CAM, taxes and insurance on a triple net basis. Co-tenancy provisions in the anchor lease are triggered if occupancy falls below 70%.

The going-in capitalization rate of 5.74% reflects the in-place income and the stabilized occupancy assumption. Effective gross income for the trailing period was $286,000, representing a 3.7% increase over the prior year. Co-tenancy provisions in the anchor lease are triggered if occupancy falls below 70%. Tenants pay percentage rent in addition to base rent and reimburse CAM, taxes and insurance on a triple net basis. A reserve for replacements of $250 per unit has been underwritten in the cash flow below net operating income.

Financial Analysis

Average rent is $17 per square foot with parking at a ratio of 15 spaces per 1,000 square feet. Co-tenancy provisions in the anchor lease are triggered if occupancy falls below 70%. A reserve for replacements of $250 per unit has been underwritten in the cash flow below net operating income. Management fees are calculated at 6.0% of collected revenue and are included in operating expenses. Tenants pay percentage rent in addition to base rent and reimburse CAM, taxes and insurance on a triple net basis. Debt service coverage ratio was 6.13x on a trailing basis against a covenant minimum of 1.20x.

Average rent is $17 per square foot with parking at a ratio of 12 spaces per 1,000 square feet. The center is anchored by a grocery tenant and supported by in-line shop space, pads and an outparcel ground lease. Co-tenancy provisions in the anchor lease are triggered if occupancy falls below 70%. A reserve for replacements of $250 per unit has been underwritten in the cash flow below net operating income. Net operating income is projected to grow at a compound annual rate of 3.3% over the hold period. Debt service coverage ratio was 7.47x on a trailing basis against a covenant minimum of 1.20x.

Valuation Discussion

Net operating income is projected to grow at a compound annual rate of 7.5% over the hold period. Co-tenancy provisions in the anchor lease are triggered if occupancy falls below 70%. Operating expenses totaled $99,000 or approximately 45.37 per square foot, with real estate taxes representing the largest line item. Average rent is $17 per square foot with parking at a ratio of 6 spaces per 1,000 square feet. The going-in capitalization rate of 5.19% reflects the in-place income and the stabilized occupancy assumption. A reserve for replacements of $250 per unit has been underwritten in the cash flow below net operating income.

Tenants pay percentage rent in addition to base rent and reimburse CAM, taxes and insurance on a triple net basis. Net operating income is projected to grow at a compound annual rate of 5.6% over the hold period. Co-tenancy provisions in the anchor lease are triggered if occupancy falls below 70%. The going-in capitalization rate of 5.79% reflects the in-place income and the stabilized occupancy assumption. The center is anchored by a grocery tenant and supported by in-line shop space, pads and an outparcel ground lease.

Submarket Analysis

Tenants pay percentage rent in addition to base rent and reimburse CAM, taxes and insurance on a triple net basis. Stonebridge Marketplace is located in Portland, OR, a market that has recorded 5.5% population growth over the last five years. Rent growth in the submarket has averaged 7.8% annually over the past 4 years. Market vacancy for comparable Retail product stands at 11.5%, down from 3.4% two years ago.

Tenants pay percentage rent in addition to base rent and reimburse CAM, taxes and insurance on a triple net basis. New construction starts have decelerated due to higher financing costs and tighter lending standards, which supports the existing supply. Average rent is $17 per square foot with parking at a ratio of 37 spaces per 1,000 square feet. Rent growth in the submarket has averaged 6.3% annually over the past 6 years.

Site Description

Soils are typical of the region and no evidence of unsuitable conditions was observed at the time of inspection. Utilities, including electric, natural gas and telecommunications, are available to the site from the street. The site is not located within a designated 100-year floodplain according to the FEMA flood map in effect. Access to the site is provided by 4 curb cuts and the property is served by municipal water and sanitary sewer.

Access to the site is provided by 10 curb cuts and the property is served by municipal water and sanitary sewer. Soils are typical of the region and no evidence of unsuitable conditions was observed at the time of inspection. Surrounding land uses include residential, commercial and light industrial properties of similar vintage. The site is not located within a designated 100-year floodplain according to the FEMA flood map in effect. Utilities, including electric, natural gas and telecommunications, are available to the site from the street. The site contains approximately 43.43 acres and is generally level with frontage along Peachtree Lane.

Demographics and Employment

Median household income within a 7-mile radius of the property is approximately $176,000 and has grown 5.9% annually. Rent growth in the submarket has averaged 3.9% annually over the past 11 years. Co-tenancy provisions in the anchor lease are triggered if occupancy falls below 70%. Investor demand for Retail assets in Portland remains strong with recent trades at capitalization rates between 8.05% and 8.05%. Tenants pay percentage rent in addition to base rent and reimburse CAM, taxes and insurance on a triple net basis. New construction starts have decelerated due to higher financing costs and tighter lending standards, which supports the existing supply.

Employment growth is led by healthcare, logistics, education and professional services sectors. Stonebridge Marketplace is located in Portland, OR, a market that has recorded 13.5% population growth over the last five years. Rent growth in the submarket has averaged 7.7% annually over the past 4 years. Median household income within a 4-mile radius of the property is approximately $40,000 and has grown 13.6% annually.

Topography and Flood Zone

Soils are typical of the region and no evidence of unsuitable conditions was observed at the time of inspection. Surrounding land uses include residential, commercial and light industrial properties of similar vintage. Utilities, including electric, natural gas and telecommunications, are available to the site from the street. The site contains approximately 42.42 acres and is generally level with frontage along Peachtree Lane. Access to the site is provided by 8 curb cuts and the property is served by municipal water and sanitary sewer.
