Summary and Notes

Valuation Discussion

Effective gross income for the trailing period was $378,000, representing a 12.8% increase over the prior year. Cross-dock and rear-load configurations allow for flexible multi-tenant demising. The going-in capitalization rate of 6.73% reflects the in-place income and the stabilized occupancy assumption. Operating expenses totaled $21,000 or approximately 6.88 per square foot, with real estate taxes representing the largest line item. A reserve for replacements of $250 per unit has been underwritten in the cash flow below net operating income. Management fees are calculated at 3.6% of collected revenue and are included in operating expenses.

Effective gross income for the trailing period was $263,000, representing a 9.3% increase over the prior year. In-place rents average $11 per square foot triple net with 3% annual escalations. The facility is located 6 miles from the interstate with access to a regional intermodal terminal. Management fees are calculated at 3.4% of collected revenue and are included in operating expenses. Cross-dock and rear-load configurations allow for flexible multi-tenant demising.

Property Operations

The manager completes a monthly walk of the property and submits a variance report to the owner by the 29th business day. Marketing efforts include digital listings, signage, broker outreach and a resident referral program. On-site staffing consists of a property manager, assistant manager, maintenance supervisor and 32 additional team members.
