Summary and Notes

Income and Expense Review

The property is located adjacent to a regional hospital campus and benefits from referral-driven tenancy. Patient parking and ADA-compliant access are provided at a ratio of 6 spaces per 1,000 square feet. Rents average $28 per square foot modified gross and leases include tenant improvement allowances for specialized buildout. The building is configured for physician practices with plumbing in every suite, imaging-ready floor loads and dedicated medical waste storage.

Management fees are calculated at 7.8% of collected revenue and are included in operating expenses. Effective gross income for the trailing period was $148,000, representing a 7.4% increase over the prior year. Debt service coverage ratio was 7.77x on a trailing basis against a covenant minimum of 1.20x. Patient parking and ADA-compliant access are provided at a ratio of 28 spaces per 1,000 square feet. The going-in capitalization rate of 5.90% reflects the in-place income and the stabilized occupancy assumption. Net operating income is projected to grow at a compound annual rate of 6.9% over the hold period.

Property Operations

Patient parking and ADA-compliant access are provided at a ratio of 37 spaces per 1,000 square feet. Rents average $28 per square foot modified gross and leases include tenant improvement allowances for specialized buildout. Service requests are tracked through a work-order system with an average completion time of 22 hours. On-site staffing consists of a property manager, assistant manager, maintenance supervisor and 9 additional team members.

Service requests are tracked through a work-order system with an average completion time of 26 hours. The property is located adjacent to a regional hospital campus and benefits from referral-driven tenancy. Preventive maintenance schedules for HVAC, elevators and life-safety systems were completed on time during the period. Rents average $28 per square foot modified gross and leases include tenant improvement allowances for specialized buildout. The manager completes a monthly walk of the property and submits a variance report to the owner by the 5th business day.
