Income and Expense Review

The project combines ground-floor retail and restaurant space with upper-level residential and office components. Percentage rent and CAM reimbursements are tracked separately for the commercial component. Debt service coverage ratio was 5.30x on a trailing basis against a covenant minimum of 1.20x. The property is walkable to transit, with 13 structured parking spaces shared between uses. Management fees are calculated at 3.0% of collected revenue and are included in operating expenses.

The property is walkable to transit, with 8 structured parking spaces shared between uses. The going-in capitalization rate of 7.58% reflects the in-place income and the stabilized occupancy assumption. Operating expenses totaled $480,000 or approximately 25.25 per square foot, with real estate taxes representing the largest line item. Management fees are calculated at 4.1% of collected revenue and are included in operating expenses. Net operating income is projected to grow at a compound annual rate of 7.2% over the hold period.

Management Commentary

The manager completes a monthly walk of the property and submits a variance report to the owner by the 4th business day. Preventive maintenance schedules for HVAC, elevators and life-safety systems were completed on time during the period. Marketing efforts include digital listings, signage, broker outreach and a resident referral program. On-site staffing consists of a property manager, assistant manager, maintenance supervisor and 7 additional team members. Percentage rent and CAM reimbursements are tracked separately for the commercial component.

Residential units are leased on 12-month terms while the commercial component is leased on a triple net basis. Valuation Discussion

Management fees are calculated at 6.0% of collected revenue and are included in operating expenses. Net operating income is projected to grow at a compound annual rate of 4.9% over the hold period. Debt service coverage ratio was 7.57x on a trailing basis against a covenant minimum of 1.20x. The project combines ground-floor retail and restaurant space with upper-level residential and office components.

The going-in capitalization rate of 6.79% reflects the in-place income and the stabilized occupancy assumption. Net operating income is projected to grow at a compound annual rate of 3.7% over the hold period. Residential units are leased on 12-month terms while the commercial component is leased on a triple net basis. Effective gross income for the trailing period was $409,000, representing a 11.3% increase over the prior year. Operating expenses totaled $198,000 or approximately 43.00 per square foot, with real estate taxes representing the largest line item. Debt service coverage ratio was 8.16x on a trailing basis against a covenant minimum of 1.20x.

Property Operations

Residential units are leased on 12-month terms while the commercial component is leased on a triple net basis. Percentage rent and CAM reimbursements are tracked separately for the commercial component. Collections for the period were 89.4% of billed charges, with bad debt of 3.3% of gross potential income. Preventive maintenance schedules for HVAC, elevators and life-safety systems were completed on time during the period. On-site staffing consists of a property manager, assistant manager, maintenance supervisor and 15 additional team members.

The project combines ground-floor retail and restaurant space with upper-level residential and office components. Marketing efforts include digital listings, signage, broker outreach and a resident referral program. The manager completes a monthly walk of the property and submits a variance report to the owner by the 29th business day. Service requests are tracked through a work-order system with an average completion time of 8 hours. The property is walkable to transit, with 3 structured parking spaces shared between uses. Residential units are leased on 12-month terms while the commercial component is leased on a triple net basis.
