Leasing and Marketing

The community provides assisted living and memory care services under a state-issued license with 38 full-time caregivers per shift. Occupancy stands at 90.0% with an average resident length of stay of 12 years. Collections for the period were 92.7% of billed charges, with bad debt of 3.6% of gross potential income. The manager completes a monthly walk of the property and submits a variance report to the owner by the 28th business day.

On-site staffing consists of a property manager, assistant manager, maintenance supervisor and 30 additional team members. Service requests are tracked through a work-order system with an average completion time of 28 hours. Average monthly revenue per occupied unit is $4,481, inclusive of base rent and levels of care. Marketing efforts include digital listings, signage, broker outreach and a resident referral program. Preventive maintenance schedules for HVAC, elevators and life-safety systems were completed on time during the period.

Permitted Uses and Parking

Setback, height, parking and lot coverage requirements are satisfied based on the information provided by the municipality. A certificate of occupancy was issued on file for the existing improvements. The property is zoned in accordance with the Memphis Unified Development Ordinance and the current use is a legally permitted use. There are no open building code violations or pending special assessments on file with the municipality as of the date of this letter. The zoning ordinance permits rebuilding to current density if the improvements are destroyed by casualty. Parking is conforming with 40 spaces provided versus 40 spaces required by code.

There are no open building code violations or pending special assessments on file with the municipality as of the date of this letter. The zoning ordinance permits rebuilding to current density if the improvements are destroyed by casualty. Setback, height, parking and lot coverage requirements are satisfied based on the information provided by the municipality. The property is zoned in accordance with the Memphis Unified Development Ordinance and the current use is a legally permitted use. Parking is conforming with 10 spaces provided versus 10 spaces required by code. A certificate of occupancy was issued on file for the existing improvements.

Leasing and Marketing

Occupancy stands at 89.3% with an average resident length of stay of 4 years. Marketing efforts include digital listings, signage, broker outreach and a resident referral program. Collections for the period were 88.5% of billed charges, with bad debt of 3.2% of gross potential income. Service requests are tracked through a work-order system with an average completion time of 43 hours. On-site staffing consists of a property manager, assistant manager, maintenance supervisor and 4 additional team members. Dining, housekeeping, transportation and activities programming are included in the base fee.

On-site staffing consists of a property manager, assistant manager, maintenance supervisor and 18 additional team members. Collections for the period were 95.0% of billed charges, with bad debt of 6.0% of gross potential income. Occupancy stands at 96.1% with an average resident length of stay of 5 years. The manager completes a monthly walk of the property and submits a variance report to the owner by the 4th business day.

Code Compliance

A certificate of occupancy was issued on file for the existing improvements. Setback, height, parking and lot coverage requirements are satisfied based on the information provided by the municipality. There are no open building code violations or pending special assessments on file with the municipality as of the date of this letter. Parking is conforming with 39 spaces provided versus 39 spaces required by code. The property is zoned in accordance with the Memphis Unified Development Ordinance and the current use is a legally permitted use.

The property is zoned in accordance with the Memphis Unified Development Ordinance and the current use is a legally permitted use. Setback, height, parking and lot coverage requirements are satisfied based on the information provided by the municipality. There are no open building code violations or pending special assessments on file with the municipality as of the date of this letter. A certificate of occupancy was issued on file for the existing improvements. Parking is conforming with 42 spaces provided versus 42 spaces required by code.
