Management Commentary

On-site staffing consists of a property manager, assistant manager, maintenance supervisor and 19 additional team members. Preventive maintenance schedules for HVAC, elevators and life-safety systems were completed on time during the period. Collections for the period were 91.3% of billed charges, with bad debt of 7.7% of gross potential income. Marketing efforts include digital listings, signage, broker outreach and a resident referral program.

Service requests are tracked through a work-order system with an average completion time of 20 hours. The manager completes a monthly walk of the property and submits a variance report to the owner by the 47th business day. Marketing efforts include digital listings, signage, broker outreach and a resident referral program. On-site staffing consists of a property manager, assistant manager, maintenance supervisor and 46 additional team members.

Permitted Uses and Parking

The zoning ordinance permits rebuilding to current density if the improvements are destroyed by casualty. Setback, height, parking and lot coverage requirements are satisfied based on the information provided by the municipality. Parking is conforming with 43 spaces provided versus 43 spaces required by code. The property is zoned in accordance with the Memphis Unified Development Ordinance and the current use is a legally permitted use.

The zoning ordinance permits rebuilding to current density if the improvements are destroyed by casualty. The property is zoned in accordance with the Memphis Unified Development Ordinance and the current use is a legally permitted use. Parking is conforming with 38 spaces provided versus 38 spaces required by code. A certificate of occupancy was issued on file for the existing improvements. Setback, height, parking and lot coverage requirements are satisfied based on the information provided by the municipality.

Leasing and Marketing

Dining, housekeeping, transportation and activities programming are included in the base fee. The manager completes a monthly walk of the property and submits a variance report to the owner by the 16th business day. Preventive maintenance schedules for HVAC, elevators and life-safety systems were completed on time during the period. Collections for the period were 91.2% of billed charges, with bad debt of 8.0% of gross potential income. The community provides assisted living and memory care services under a state-issued license with 30 full-time caregivers per shift. Service requests are tracked through a work-order system with an average completion time of 25 hours.

Occupancy stands at 93.0% with an average resident length of stay of 9 years. Dining, housekeeping, transportation and activities programming are included in the base fee. Marketing efforts include digital listings, signage, broker outreach and a resident referral program. Average monthly revenue per occupied unit is $4,481, inclusive of base rent and levels of care. Service requests are tracked through a work-order system with an average completion time of 12 hours.
