ALTA SURVEY

Aspen Crossing | Oklahoma City, OK

Project	Aspen Crossing
Address	4937 Grand Avenue, Oklahoma City, OK 27863
Client	Granite Lane Realty
Field Work Date	December 12, 2022

1. Surveyor's Certificate. To Granite Lane Realty, Evergreen Title Services and Harbor Mutual Life: this is to certify that this map or plat and the survey on which it is based were made in accordance with the 2021 Minimum Standard Detail Requirements for ALTA/NSPS Land Title Surveys. Time is of the essence with respect to each and every provision of this instrument. If any term is held invalid or unenforceable, the remaining terms shall continue in full force and effect.

2. Legal Description. Being a tract of land situated in the county of record, beginning at an iron rod found at the intersection of the north line of Grand Avenue with the east line of the tract; thence N 45° 45' 45" E, a distance of 4545.45 feet to an iron rod set. If any term is held invalid or unenforceable, the remaining terms shall continue in full force and effect. Each party represents that it has full power and authority to enter into and perform its obligations hereunder.

3. Survey Note 1. The property contains 48.48 acres, more or less, and has direct access to Grand Avenue, a public right of way. This instrument shall be binding upon and inure to the benefit of the parties and their respective successors and permitted assigns. Time is of the essence with respect to each and every provision of this instrument.

4. Survey Note 2. Parking: 44 regular spaces and 4 accessible spaces were counted on the surveyed property. All notices required or permitted hereunder shall be in writing and delivered by certified mail, nationally recognized overnight courier or electronic mail with confirmation of receipt. If any term is held invalid or unenforceable, the remaining terms shall continue in full force and effect.

5. Survey Note 3. No evidence of recent earth moving work, building construction or building additions was observed in the process of conducting the fieldwork. Each party represents that it has full power and authority to enter into and perform its obligations hereunder. The prevailing party in any action to enforce the terms hereof shall be entitled to recover reasonable attorneys' fees and costs.

6. Survey Note 4. The surveyed property lies within Zone X (areas determined to be outside the 0.2% annual chance floodplain) per FIRM panel in effect. All notices required or permitted hereunder shall be in writing and delivered by certified mail, nationally recognized overnight courier or electronic mail with confirmation of receipt. The prevailing party in any action to enforce the terms hereof shall be entitled to recover reasonable attorneys' fees and costs.

7. Easements. Utility easements as shown on the face of the survey are plotted to the extent described in the record documents provided in the title commitment. The prevailing party in any action to enforce the terms hereof shall be entitled to recover reasonable attorneys' fees and costs. If any term is held invalid or unenforceable, the remaining terms shall continue in full force and effect.

8. Surveyor's Certificate. To Granite Lane Realty, Evergreen Title Services and Harbor Mutual Life: this is to certify that this map or plat and the survey on which it is based were made in accordance with the 2021 Minimum Standard Detail Requirements for ALTA/NSPS Land Title Surveys. Each party represents that it has full power and authority to enter into and perform its obligations hereunder. The prevailing party in any action to enforce the terms hereof shall be entitled to recover reasonable attorneys' fees and costs.

9. Legal Description. Being a tract of land situated in the county of record, beginning at an iron rod found at the intersection of the north line of Grand Avenue with the east line of the tract; thence N 6° 6' 6" E, a distance of 66.6 feet to an iron rod set. Time is of the essence with respect to each and every provision of this instrument. All notices required or permitted hereunder shall be in writing and delivered by certified mail, nationally recognized overnight courier or electronic mail with confirmation of receipt.

10. Survey Note 1. The property contains 5.5 acres, more or less, and has direct access to Grand Avenue, a public right of way. Time is of the essence with respect to each and every provision of this instrument. The prevailing party in any action to enforce the terms hereof shall be entitled to recover reasonable attorneys' fees and costs.

11. Survey Note 2. Parking: 2828 regular spaces and 28 accessible spaces were counted on the surveyed property. The prevailing party in any action to enforce the terms hereof shall be entitled to recover reasonable attorneys' fees and costs. This instrument shall be binding upon and inure to the benefit of the parties and their respective successors and permitted assigns.

12. Survey Note 3. No evidence of recent earth moving work, building construction or building additions was observed in the process of conducting the fieldwork. This instrument shall be binding upon and inure to the benefit of the parties and their respective successors and permitted assigns. Each party represents that it has full power and authority to enter into and perform its obligations hereunder.

13. Survey Note 4. The surveyed property lies within Zone X (areas determined to be outside the 0.2% annual chance floodplain) per FIRM panel in effect. Time is of the essence with respect to each and every provision of this instrument. Each party represents that it has full power and authority to enter into and perform its obligations hereunder.

14. Easements. Utility easements as shown on the face of the survey are plotted to the extent described in the record documents provided in the title commitment. This instrument shall be binding upon and inure to the benefit of the parties and their respective successors and permitted assigns. Notwithstanding anything to the contrary contained herein, the parties agree that the foregoing shall be construed in accordance with the laws of the State of OK.

Access and Utilities

Utilities, including electric, natural gas and telecommunications, are available to the site from the street. The site contains approximately 3.3 acres and is generally level with frontage along Grand Avenue. The site is not located within a designated 100-year floodplain according to the FEMA flood map in effect. Access to the site is provided by 6 curb cuts and the property is served by municipal water and sanitary sewer.

Soils are typical of the region and no evidence of unsuitable conditions was observed at the time of inspection. The site contains approximately 13.13 acres and is generally level with frontage along Grand Avenue. Utilities, including electric, natural gas and telecommunications, are available to the site from the street. Access to the site is provided by 31 curb cuts and the property is served by municipal water and sanitary sewer. The site is not located within a designated 100-year floodplain according to the FEMA flood map in effect.

Topography and Flood Zone

Access to the site is provided by 41 curb cuts and the property is served by municipal water and sanitary sewer. Soils are typical of the region and no evidence of unsuitable conditions was observed at the time of inspection. Surrounding land uses include residential, commercial and light industrial properties of similar vintage. The site contains approximately 2.2 acres and is generally level with frontage along Grand Avenue. The site is not located within a designated 100-year floodplain according to the FEMA flood map in effect. Utilities, including electric, natural gas and telecommunications, are available to the site from the street.

Utilities, including electric, natural gas and telecommunications, are available to the site from the street. Surrounding land uses include residential, commercial and light industrial properties of similar vintage. The site contains approximately 15.15 acres and is generally level with frontage along Grand Avenue. Soils are typical of the region and no evidence of unsuitable conditions was observed at the time of inspection. The site is not located within a designated 100-year floodplain according to the FEMA flood map in effect.

Site Description

The site contains approximately 44.44 acres and is generally level with frontage along Grand Avenue. Utilities, including electric, natural gas and telecommunications, are available to the site from the street. Access to the site is provided by 3 curb cuts and the property is served by municipal water and sanitary sewer. The site is not located within a designated 100-year floodplain according to the FEMA flood map in effect. Soils are typical of the region and no evidence of unsuitable conditions was observed at the time of inspection. Surrounding land uses include residential, commercial and light industrial properties of similar vintage.

Surrounding land uses include residential, commercial and light industrial properties of similar vintage. Utilities, including electric, natural gas and telecommunications, are available to the site from the street. Access to the site is provided by 8 curb cuts and the property is served by municipal water and sanitary sewer. Soils are typical of the region and no evidence of unsuitable conditions was observed at the time of inspection. The site contains approximately 41.41 acres and is generally level with frontage along Grand Avenue. The site is not located within a designated 100-year floodplain according to the FEMA flood map in effect.

All notices required or permitted hereunder shall be in writing and delivered by certified mail, nationally recognized overnight courier or electronic mail with confirmation of receipt. No waiver of any provision shall be effective unless in writing and signed by the party against whom such waiver is sought.

45. Survey Note 1. The property contains 47.47 acres, more or less, and has direct access to Grand Avenue, a public right of way. This instrument shall be binding upon and inure to the benefit of the parties and their respective successors and permitted assigns. All notices required or permitted hereunder shall be in writing and delivered by certified mail, nationally recognized overnight courier or electronic mail with confirmation of receipt.

46. Survey Note 2. Parking: 44 regular spaces and 4 accessible spaces were counted on the surveyed property. If any term is held invalid or unenforceable, the remaining terms shall continue in full force and effect. All notices required or permitted hereunder shall be in writing and delivered by certified mail, nationally recognized overnight courier or electronic mail with confirmation of receipt.

47. Survey Note 3. No evidence of recent earth moving work, building construction or building additions was observed in the process of conducting the fieldwork. The prevailing party in any action to enforce the terms hereof shall be entitled to recover reasonable attorneys' fees and costs. This instrument shall be binding upon and inure to the benefit of the parties and their respective successors and permitted assigns.

48. Survey Note 4. The surveyed property lies within Zone X (areas determined to be outside the 0.2% annual chance floodplain) per FIRM panel in effect. All notices required or permitted hereunder shall be in writing and delivered by certified mail, nationally recognized overnight courier or electronic mail with confirmation of receipt. This instrument shall be binding upon and inure to the benefit of the parties and their respective successors and permitted assigns.

49. Easements. Utility easements as shown on the face of the survey are plotted to the extent described in the record documents provided in the title commitment. Each party represents that it has full power and authority to enter into and perform its obligations hereunder. No waiver of any provision shall be effective unless in writing and signed by the party against whom such waiver is sought.
