FICTITIOUS SAMPLE DOCUMENT — all names, figures and entities are invented for classroom training use only

Property Operations

Average monthly revenue per occupied unit is $6,139, inclusive of base rent and levels of care. The community provides assisted living and memory care services under a state-issued license with 7 full-time caregivers per shift. Collections for the period were 95.1% of billed charges, with bad debt of 5.8% of gross potential income. Service requests are tracked through a work-order system with an average completion time of 31 hours.

The community provides assisted living and memory care services under a state-issued license with 2 full-time caregivers per shift. Marketing efforts include digital listings, signage, broker outreach and a resident referral program. On-site staffing consists of a property manager, assistant manager, maintenance supervisor and 27 additional team members. The manager completes a monthly walk of the property and submits a variance report to the owner by the 32th business day. Collections for the period were 88.6% of billed charges, with bad debt of 7.8% of gross potential income.

Permitted Uses and Parking

The property is zoned in accordance with the Nashville Unified Development Ordinance and the current use is a legally permitted use. Setback, height, parking and lot coverage requirements are satisfied based on the information provided by the municipality. Parking is conforming with 25 spaces provided versus 25 spaces required by code. There are no open building code violations or pending special assessments on file with the municipality as of the date of this letter. The zoning ordinance permits rebuilding to current density if the improvements are destroyed by casualty.

There are no open building code violations or pending special assessments on file with the municipality as of the date of this letter. The property is zoned in accordance with the Nashville Unified Development Ordinance and the current use is a legally permitted use. Parking is conforming with 2 spaces provided versus 2 spaces required by code. The zoning ordinance permits rebuilding to current density if the improvements are destroyed by casualty. Setback, height, parking and lot coverage requirements are satisfied based on the information provided by the municipality. A certificate of occupancy was issued on file for the existing improvements.

Management Commentary

Collections for the period were 96.4% of billed charges, with bad debt of 3.4% of gross potential income. Average monthly revenue per occupied unit is $6,139, inclusive of base rent and levels of care. The manager completes a monthly walk of the property and submits a variance report to the owner by the 44th business day. Dining, housekeeping, transportation and activities programming are included in the base fee.

Collections for the period were 88.9% of billed charges, with bad debt of 6.2% of gross potential income. On-site staffing consists of a property manager, assistant manager, maintenance supervisor and 30 additional team members. Preventive maintenance schedules for HVAC, elevators and life-safety systems were completed on time during the period. Occupancy stands at 94.3% with an average resident length of stay of 12 years. Marketing efforts include digital listings, signage, broker outreach and a resident referral program. Service requests are tracked through a work-order system with an average completion time of 2 hours.

Code Compliance

There are no open building code violations or pending special assessments on file with the municipality as of the date of this letter. The property is zoned in accordance with the Nashville Unified Development Ordinance and the current use is a legally permitted use. The zoning ordinance permits rebuilding to current density if the improvements are destroyed by casualty. Parking is conforming with 4 spaces provided versus 4 spaces required by code. Setback, height, parking and lot coverage requirements are satisfied based on the information provided by the municipality.

Setback, height, parking and lot coverage requirements are satisfied based on the information provided by the municipality. A certificate of occupancy was issued on file for the existing improvements. Parking is conforming with 11 spaces provided versus 11 spaces required by code. There are no open building code violations or pending special assessments on file with the municipality as of the date of this letter. The property is zoned in accordance with the Nashville Unified Development Ordinance and the current use is a legally permitted use. The zoning ordinance permits rebuilding to current density if the improvements are destroyed by casualty.

Management Commentary

Collections for the period were 92.0% of billed charges, with bad debt of 4.5% of gross potential income. Marketing efforts include digital listings, signage, broker outreach and a resident referral program. Dining, housekeeping, transportation and activities programming are included in the base fee. On-site staffing consists of a property manager, assistant manager, maintenance supervisor and 42 additional team members.

There are no open building code violations or pending special assessments on file with the municipality as of the date of this letter. Parking is conforming with 42 spaces provided versus 42 spaces required by code. Setback, height, parking and lot coverage requirements are satisfied based on the information provided by the municipality. The property is zoned in accordance with the Nashville Unified Development Ordinance and the current use is a legally permitted use.

A certificate of occupancy was issued on file for the existing improvements. Parking is conforming with 20 spaces provided versus 20 spaces required by code. There are no open building code violations or pending special assessments on file with the municipality as of the date of this letter. The zoning ordinance permits rebuilding to current density if the improvements are destroyed by casualty.

Management Commentary

Preventive maintenance schedules for HVAC, elevators and life-safety systems were completed on time during the period. Average monthly revenue per occupied unit is $6,139, inclusive of base rent and levels of care. Marketing efforts include digital listings, signage, broker outreach and a resident referral program. Occupancy stands at 90.8% with an average resident length of stay of 7 years.
