# Summary and Notes

## Financial Analysis

Management fees are calculated at 3.6% of collected revenue and are included in operating expenses. Operating expenses totaled $408,000 or approximately 21.76 per square foot, with real estate taxes representing the largest line item. Floor plates are efficient and column-spacing supports open and private-office layouts. Effective gross income for the trailing period was $447,000, representing a 4.0% increase over the prior year. Weighted average lease term remaining is 9 years and in-place rents average $30 per square foot, full service gross.

Effective gross income for the trailing period was $423,000, representing a 4.3% increase over the prior year. A reserve for replacements of $250 per unit has been underwritten in the cash flow below net operating income. The going-in capitalization rate of 7.86% reflects the in-place income and the stabilized occupancy assumption. Debt service coverage ratio was 5.28x on a trailing basis against a covenant minimum of 1.20x. Management fees are calculated at 3.3% of collected revenue and are included in operating expenses. Net operating income is projected to grow at a compound annual rate of 7.9% over the hold period.

## Leasing and Marketing

Weighted average lease term remaining is 11 years and in-place rents average $30 per square foot, full service gross. Collections for the period were 95.2% of billed charges, with bad debt of 5.2% of gross potential income. Service requests are tracked through a work-order system with an average completion time of 47 hours. Preventive maintenance schedules for HVAC, elevators and life-safety systems were completed on time during the period.

Preventive maintenance schedules for HVAC, elevators and life-safety systems were completed on time during the period. The manager completes a monthly walk of the property and submits a variance report to the owner by the 32th business day. The building is served by redundant elevators, a backup generator and a high-efficiency chiller plant. Marketing efforts include digital listings, signage, broker outreach and a resident referral program. Collections for the period were 88.7% of billed charges, with bad debt of 5.4% of gross potential income.
