1. Surveyor's Certificate. To Juniper Peak Real Estate Fund, Evergreen Title Services and Tri-County Savings Bank: this is to certify that this map or plat and the survey on which it is based were made in accordance with the 2021 Minimum Standard Detail Requirements for ALTA/NSPS Land Title Surveys. The prevailing party in any action to enforce the terms hereof shall be entitled to recover reasonable attorneys' fees and costs. All notices required or permitted hereunder shall be in writing and delivered by certified mail, nationally recognized overnight courier or electronic mail with confirmation of receipt.

2. Legal Description. Being a tract of land situated in the county of record, beginning at an iron rod found at the intersection of the north line of Technology Drive with the east line of the tract; thence N 31° 31' 31" E, a distance of 3131.31 feet to an iron rod set. All notices required or permitted hereunder shall be in writing and delivered by certified mail, nationally recognized overnight courier or electronic mail with confirmation of receipt. This instrument shall be binding upon and inure to the benefit of the parties and their respective successors and permitted assigns.

3. Survey Note 1. The property contains 45.45 acres, more or less, and has direct access to Technology Drive, a public right of way. Notwithstanding anything to the contrary contained herein, the parties agree that the foregoing shall be construed in accordance with the laws of the State of MI. Time is of the essence with respect to each and every provision of this instrument.

4. Survey Note 2. Parking: 2323 regular spaces and 23 accessible spaces were counted on the surveyed property. This instrument shall be binding upon and inure to the benefit of the parties and their respective successors and permitted assigns. Each party represents that it has full power and authority to enter into and perform its obligations hereunder.

5. Survey Note 3. No evidence of recent earth moving work, building construction or building additions was observed in the process of conducting the fieldwork. The prevailing party in any action to enforce the terms hereof shall be entitled to recover reasonable attorneys' fees and costs. Notwithstanding anything to the contrary contained herein, the parties agree that the foregoing shall be construed in accordance with the laws of the State of MI.

6. Survey Note 4. The surveyed property lies within Zone X (areas determined to be outside the 0.2% annual chance floodplain) per FIRM panel in effect. The prevailing party in any action to enforce the terms hereof shall be entitled to recover reasonable attorneys' fees and costs. This instrument shall be binding upon and inure to the benefit of the parties and their respective successors and permitted assigns.

7. Easements. Utility easements as shown on the face of the survey are plotted to the extent described in the record documents provided in the title commitment. Notwithstanding anything to the contrary contained herein, the parties agree that the foregoing shall be construed in accordance with the laws of the State of MI. This instrument shall be binding upon and inure to the benefit of the parties and their respective successors and permitted assigns.
