ALTA SURVEY

Stonebridge Marketplace | Portland, OR

Project	Stonebridge Marketplace
Address	3716 Peachtree Lane, Portland, OR 90654
Client	Keel & Compass Properties
Field Work Date	December 10, 2018

1. Surveyor's Certificate. To Keel & Compass Properties, Evergreen Title Services and Cobalt Bridge Lending: this is to certify that this map or plat and the survey on which it is based were made in accordance with the 2021 Minimum Standard Detail Requirements for ALTA/NSPS Land Title Surveys. If any term is held invalid or unenforceable, the remaining terms shall continue in full force and effect. Time is of the essence with respect to each and every provision of this instrument.

2. Legal Description. Being a tract of land situated in the county of record, beginning at an iron rod found at the intersection of the north line of Peachtree Lane with the east line of the tract; thence N 46° 46' 46" E, a distance of 4646.46 feet to an iron rod set. Time is of the essence with respect to each and every provision of this instrument. No waiver of any provision shall be effective unless in writing and signed by the party against whom such waiver is sought.

3. Survey Note 1. The property contains 27.27 acres, more or less, and has direct access to Peachtree Lane, a public right of way. Time is of the essence with respect to each and every provision of this instrument. No waiver of any provision shall be effective unless in writing and signed by the party against whom such waiver is sought.

4. Survey Note 2. Parking: 3939 regular spaces and 39 accessible spaces were counted on the surveyed property. If any term is held invalid or unenforceable, the remaining terms shall continue in full force and effect. Notwithstanding anything to the contrary contained herein, the parties agree that the foregoing shall be construed in accordance with the laws of the State of OR.

5. Survey Note 3. No evidence of recent earth moving work, building construction or building additions was observed in the process of conducting the fieldwork. Each party represents that it has full power and authority to enter into and perform its obligations hereunder. This instrument shall be binding upon and inure to the benefit of the parties and their respective successors and permitted assigns.

6. Survey Note 4. The surveyed property lies within Zone X (areas determined to be outside the 0.2% annual chance floodplain) per FIRM panel in effect. If any term is held invalid or unenforceable, the remaining terms shall continue in full force and effect. The prevailing party in any action to enforce the terms hereof shall be entitled to recover reasonable attorneys' fees and costs.

7. Easements. Utility easements as shown on the face of the survey are plotted to the extent described in the record documents provided in the title commitment. Notwithstanding anything to the contrary contained herein, the parties agree that the foregoing shall be construed in accordance with the laws of the State of OR. No waiver of any provision shall be effective unless in writing and signed by the party against whom such waiver is sought.

The prevailing party in any action to enforce the terms hereof shall be entitled to recover reasonable attorneys' fees and costs. If any term is held invalid or unenforceable, the remaining terms shall continue in full force and effect.

47. Survey Note 3. No evidence of recent earth moving work, building construction or building additions was observed in the process of conducting the fieldwork. Each party represents that it has full power and authority to enter into and perform its obligations hereunder. The prevailing party in any action to enforce the terms hereof shall be entitled to recover reasonable attorneys' fees and costs.

48. Survey Note 4. The surveyed property lies within Zone X (areas determined to be outside the 0.2% annual chance floodplain) per FIRM panel in effect. All notices required or permitted hereunder shall be in writing and delivered by certified mail, nationally recognized overnight courier or electronic mail with confirmation of receipt. The prevailing party in any action to enforce the terms hereof shall be entitled to recover reasonable attorneys' fees and costs.

49. Easements. Utility easements as shown on the face of the survey are plotted to the extent described in the record documents provided in the title commitment. The prevailing party in any action to enforce the terms hereof shall be entitled to recover reasonable attorneys' fees and costs. All notices required or permitted hereunder shall be in writing and delivered by certified mail, nationally recognized overnight courier or electronic mail with confirmation of receipt.

Access and Utilities

Utilities, including electric, natural gas and telecommunications, are available to the site from the street. Access to the site is provided by 30 curb cuts and the property is served by municipal water and sanitary sewer. The site is not located within a designated 100-year floodplain according to the FEMA flood map in effect. Soils are typical of the region and no evidence of unsuitable conditions was observed at the time of inspection.

Surrounding land uses include residential, commercial and light industrial properties of similar vintage. Access to the site is provided by 29 curb cuts and the property is served by municipal water and sanitary sewer. The site contains approximately 12.12 acres and is generally level with frontage along Peachtree Lane. Soils are typical of the region and no evidence of unsuitable conditions was observed at the time of inspection. The site is not located within a designated 100-year floodplain according to the FEMA flood map in effect.

Access and Utilities

Soils are typical of the region and no evidence of unsuitable conditions was observed at the time of inspection. The site contains approximately 34.34 acres and is generally level with frontage along Peachtree Lane. Access to the site is provided by 32 curb cuts and the property is served by municipal water and sanitary sewer. Utilities, including electric, natural gas and telecommunications, are available to the site from the street. Surrounding land uses include residential, commercial and light industrial properties of similar vintage. The site is not located within a designated 100-year floodplain according to the FEMA flood map in effect.

Access to the site is provided by 40 curb cuts and the property is served by municipal water and sanitary sewer. The site contains approximately 48.48 acres and is generally level with frontage along Peachtree Lane. Soils are typical of the region and no evidence of unsuitable conditions was observed at the time of inspection. Utilities, including electric, natural gas and telecommunications, are available to the site from the street.

Access and Utilities

The site contains approximately 46.46 acres and is generally level with frontage along Peachtree Lane. Utilities, including electric, natural gas and telecommunications, are available to the site from the street. Access to the site is provided by 8 curb cuts and the property is served by municipal water and sanitary sewer. The site is not located within a designated 100-year floodplain according to the FEMA flood map in effect. Soils are typical of the region and no evidence of unsuitable conditions was observed at the time of inspection.

Soils are typical of the region and no evidence of unsuitable conditions was observed at the time of inspection. Access to the site is provided by 43 curb cuts and the property is served by municipal water and sanitary sewer. The site contains approximately 7.7 acres and is generally level with frontage along Peachtree Lane. Utilities, including electric, natural gas and telecommunications, are available to the site from the street.
