Summary and Notes

Income and Expense Review

Percentage rent and CAM reimbursements are tracked separately for the commercial component. Net operating income is projected to grow at a compound annual rate of 6.2% over the hold period. Effective gross income for the trailing period was $479,000, representing a 4.0% increase over the prior year. The going-in capitalization rate of 6.91% reflects the in-place income and the stabilized occupancy assumption. Operating expenses totaled $154,000 or approximately 29.53 per square foot, with real estate taxes representing the largest line item. The property is walkable to transit, with 39 structured parking spaces shared between uses.

Operating expenses totaled $475,000 or approximately 16.91 per square foot, with real estate taxes representing the largest line item. Effective gross income for the trailing period was $346,000, representing a 10.0% increase over the prior year. Residential units are leased on 12-month terms while the commercial component is leased on a triple net basis. A reserve for replacements of $250 per unit has been underwritten in the cash flow below net operating income. The going-in capitalization rate of 6.99% reflects the in-place income and the stabilized occupancy assumption. Management fees are calculated at 6.9% of collected revenue and are included in operating expenses.

Leasing and Marketing

Residential units are leased on 12-month terms while the commercial component is leased on a triple net basis. The project combines ground-floor retail and restaurant space with upper-level residential and office components. Collections for the period were 96.2% of billed charges, with bad debt of 7.9% of gross potential income. Service requests are tracked through a work-order system with an average completion time of 18 hours.

The project combines ground-floor retail and restaurant space with upper-level residential and office components. Marketing efforts include digital listings, signage, broker outreach and a resident referral program. On-site staffing consists of a property manager, assistant manager, maintenance supervisor and 19 additional team members. Collections for the period were 90.0% of billed charges, with bad debt of 6.3% of gross potential income.
