Summary and Notes

Income and Expense Review

Net operating income is projected to grow at a compound annual rate of 7.2% over the hold period. The property is walkable to transit, with 15 structured parking spaces shared between uses. Effective gross income for the trailing period was $52,000, representing a 8.4% increase over the prior year. Residential units are leased on 12-month terms while the commercial component is leased on a triple net basis.

The going-in capitalization rate of 6.85% reflects the in-place income and the stabilized occupancy assumption. A reserve for replacements of $250 per unit has been underwritten in the cash flow below net operating income. Operating expenses totaled $178,000 or approximately 19.30 per square foot, with real estate taxes representing the largest line item. The project combines ground-floor retail and restaurant space with upper-level residential and office components. Effective gross income for the trailing period was $396,000, representing a 3.0% increase over the prior year. Percentage rent and CAM reimbursements are tracked separately for the commercial component.

Leasing and Marketing

Preventive maintenance schedules for HVAC, elevators and life-safety systems were completed on time during the period. Collections for the period were 92.7% of billed charges, with bad debt of 4.6% of gross potential income. Residential units are leased on 12-month terms while the commercial component is leased on a triple net basis. On-site staffing consists of a property manager, assistant manager, maintenance supervisor and 43 additional team members. The manager completes a monthly walk of the property and submits a variance report to the owner by the 45th business day.

Service requests are tracked through a work-order system with an average completion time of 47 hours. The manager completes a monthly walk of the property and submits a variance report to the owner by the 28th business day. Preventive maintenance schedules for HVAC, elevators and life-safety systems were completed on time during the period. Marketing efforts include digital listings, signage, broker outreach and a resident referral program. The property is walkable to transit, with 29 structured parking spaces shared between uses.
