QUARTERLY INVESTOR REPORT

Kingsley Industrial Park | Columbus, OH

Investment	Kingsley Industrial Park
Quarter	3Q 2019
Report Date	March 6, 2026
Sponsor	Anchorage Meadow Partners
Occupancy	95.9%

Investor Distributions

The business plan contemplates a hold period of 7 years with disposition upon achievement of target returns. Distributions to investors for the quarter were paid at an annualized rate of 3.1% on contributed capital. Projected levered IRR is 5.2% with an equity multiple of 1.5x over the hold period. Leasing velocity improved during the period and management expects further upward pressure on in-place rents. The investment thesis is based on stabilizing occupancy, completing the capital plan and capturing rent growth to market. In-place rents average $10 per square foot triple net with 3% annual escalations.

The building offers 4' clear height, ESFR sprinklers, dock-high and drive-in doors, and a secured truck court with trailer parking. In-place rents average $10 per square foot triple net with 3% annual escalations. The investment thesis is based on stabilizing occupancy, completing the capital plan and capturing rent growth to market. Cross-dock and rear-load configurations allow for flexible multi-tenant demising. Projected levered IRR is 6.0% with an equity multiple of 1.4x over the hold period. The facility is located 8 miles from the interstate with access to a regional intermodal terminal.

Management Commentary

In-place rents average $10 per square foot triple net with 3% annual escalations. The manager completes a monthly walk of the property and submits a variance report to the owner by the 31th business day. The facility is located 4 miles from the interstate with access to a regional intermodal terminal. Preventive maintenance schedules for HVAC, elevators and life-safety systems were completed on time during the period.

The manager completes a monthly walk of the property and submits a variance report to the owner by the 2th business day. Collections for the period were 95.9% of billed charges, with bad debt of 4.8% of gross potential income. Preventive maintenance schedules for HVAC, elevators and life-safety systems were completed on time during the period. On-site staffing consists of a property manager, assistant manager, maintenance supervisor and 39 additional team members. Cross-dock and rear-load configurations allow for flexible multi-tenant demising. Marketing efforts include digital listings, signage, broker outreach and a resident referral program.
