FICTITIOUS SAMPLE DOCUMENT — all names, figures and entities are invented for classroom training use only

Management Commentary

The community provides assisted living and memory care services under a state-issued license with 3 full-time caregivers per shift. Average monthly revenue per occupied unit is $5,108, inclusive of base rent and levels of care. The manager completes a monthly walk of the property and submits a variance report to the owner by the 39th business day. Occupancy stands at 91.5% with an average resident length of stay of 9 years.

Collections for the period were 96.9% of billed charges, with bad debt of 7.6% of gross potential income. Average monthly revenue per occupied unit is $5,108, inclusive of base rent and levels of care. Preventive maintenance schedules for HVAC, elevators and life-safety systems were completed on time during the period. The manager completes a monthly walk of the property and submits a variance report to the owner by the 22th business day.

Permitted Uses and Parking

The property is zoned in accordance with the Naperville Unified Development Ordinance and the current use is a legally permitted use. Parking is conforming with 12 spaces provided versus 12 spaces required by code. Setback, height, parking and lot coverage requirements are satisfied based on the information provided by the municipality. The zoning ordinance permits rebuilding to current density if the improvements are destroyed by casualty. There are no open building code violations or pending special assessments on file with the municipality as of the date of this letter.

The zoning ordinance permits rebuilding to current density if the improvements are destroyed by casualty. Parking is conforming with 39 spaces provided versus 39 spaces required by code. The property is zoned in accordance with the Naperville Unified Development Ordinance and the current use is a legally permitted use. There are no open building code violations or pending special assessments on file with the municipality as of the date of this letter. A certificate of occupancy was issued on file for the existing improvements. Setback, height, parking and lot coverage requirements are satisfied based on the information provided by the municipality.

Property Operations

Marketing efforts include digital listings, signage, broker outreach and a resident referral program. Collections for the period were 88.6% of billed charges, with bad debt of 7.1% of gross potential income. Preventive maintenance schedules for HVAC, elevators and life-safety systems were completed on time during the period. The community provides assisted living and memory care services under a state-issued license with 25 full-time caregivers per shift. Occupancy stands at 90.3% with an average resident length of stay of 6 years.

The manager completes a monthly walk of the property and submits a variance report to the owner by the 38th business day. On-site staffing consists of a property manager, assistant manager, maintenance supervisor and 7 additional team members. Occupancy stands at 90.8% with an average resident length of stay of 6 years. Average monthly revenue per occupied unit is $5,108, inclusive of base rent and levels of care. Preventive maintenance schedules for HVAC, elevators and life-safety systems were completed on time during the period. The community provides assisted living and memory care services under a state-issued license with 32 full-time caregivers per shift.

Permitted Uses and Parking

A certificate of occupancy was issued on file for the existing improvements. Setback, height, parking and lot coverage requirements are satisfied based on the information provided by the municipality. Parking is conforming with 37 spaces provided versus 37 spaces required by code. There are no open building code violations or pending special assessments on file with the municipality as of the date of this letter.

Setback, height, parking and lot coverage requirements are satisfied based on the information provided by the municipality. Parking is conforming with 35 spaces provided versus 35 spaces required by code. The property is zoned in accordance with the Naperville Unified Development Ordinance and the current use is a legally permitted use. The zoning ordinance permits rebuilding to current density if the improvements are destroyed by casualty. A certificate of occupancy was issued on file for the existing improvements.
