Investment Overview

Projected levered IRR is 12.3% with an equity multiple of 1.15x over the hold period. The investment thesis is based on stabilizing occupancy, completing the capital plan and capturing rent growth to market. The community provides assisted living and memory care services under a state-issued license with 33 full-time caregivers per shift. Leasing velocity improved during the period and management expects further upward pressure on in-place rents.

Key risks include interest rate exposure, tenant rollover, construction cost overruns and local supply additions. The investment thesis is based on stabilizing occupancy, completing the capital plan and capturing rent growth to market. Projected levered IRR is 5.5% with an equity multiple of 1.43x over the hold period. Leasing velocity improved during the period and management expects further upward pressure on in-place rents. The business plan contemplates a hold period of 4 years with disposition upon achievement of target returns.

Supply and Demand

The community provides assisted living and memory care services under a state-issued license with 2 full-time caregivers per shift. Market vacancy for comparable Senior Housing product stands at 7.6%, down from 6.5% two years ago. Dining, housekeeping, transportation and activities programming are included in the base fee. New construction starts have decelerated due to higher financing costs and tighter lending standards, which supports the existing supply.

Median household income within a 1-mile radius of the property is approximately $179,000 and has grown 5.7% annually. Market vacancy for comparable Senior Housing product stands at 6.3%, down from 7.9% two years ago. Average monthly revenue per occupied unit is $5,459, inclusive of base rent and levels of care. Maple Manor is located in Memphis, TN, a market that has recorded 14.0% population growth over the last five years. Occupancy stands at 90.6% with an average resident length of stay of 5 years. The community provides assisted living and memory care services under a state-issued license with 8 full-time caregivers per shift.

Investor Distributions

The community provides assisted living and memory care services under a state-issued license with 9 full-time caregivers per shift. Dining, housekeeping, transportation and activities programming are included in the base fee. Occupancy stands at 91.3% with an average resident length of stay of 12 years. Leasing velocity improved during the period and management expects further upward pressure on in-place rents.

The investment thesis is based on stabilizing occupancy, completing the capital plan and capturing rent growth to market. Dining, housekeeping, transportation and activities programming are included in the base fee. Average monthly revenue per occupied unit is $5,459, inclusive of base rent and levels of care. Distributions to investors for the quarter were paid at an annualized rate of 3.8% on contributed capital.

Supply and Demand

Average monthly revenue per occupied unit is $5,459, inclusive of base rent and levels of care. Rent growth in the submarket has averaged 7.6% annually over the past 4 years. Investor demand for Senior Housing assets in Memphis remains strong with recent trades at capitalization rates between 7.74% and 7.74%. Employment growth is led by healthcare, logistics, education and professional services sectors. The Memphis Senior Housing market has experienced absorption of 700 thousand square feet or equivalent units over the trailing twelve months, outpacing new deliveries.

Occupancy stands at 89.3% with an average resident length of stay of 12 years. Median household income within a 1-mile radius of the property is approximately $403,000 and has grown 12.0% annually. The community provides assisted living and memory care services under a state-issued license with 44 full-time caregivers per shift. Average monthly revenue per occupied unit is $5,459, inclusive of base rent and levels of care. Market vacancy for comparable Senior Housing product stands at 3.8%, down from 3.7% two years ago.

Risk Considerations

Average monthly revenue per occupied unit is $5,459, inclusive of base rent and levels of care. The community provides assisted living and memory care services under a state-issued license with 7 full-time caregivers per shift. Distributions to investors for the quarter were paid at an annualized rate of 8.0% on contributed capital. The business plan contemplates a hold period of 4 years with disposition upon achievement of target returns. The investment thesis is based on stabilizing occupancy, completing the capital plan and capturing rent growth to market. Occupancy stands at 89.4% with an average resident length of stay of 10 years.

Building Systems

Dining, housekeeping, transportation and activities programming are included in the base fee. Exterior finishes comprise brick veneer, fiber-cement siding and aluminum storefront glazing in good condition. Life-safety systems include a fully sprinklered building, addressable fire alarm panel and emergency lighting. Occupancy stands at 94.0% with an average resident length of stay of 7 years.

Dining, housekeeping, transportation and activities programming are included in the base fee. Average monthly revenue per occupied unit is $5,459, inclusive of base rent and levels of care. Mechanical systems include rooftop package units and central plant equipment of varying age. Exterior finishes comprise brick veneer, fiber-cement siding and aluminum storefront glazing in good condition. The community provides assisted living and memory care services under a state-issued license with 43 full-time caregivers per shift. Occupancy stands at 88.1% with an average resident length of stay of 12 years.

Valuation Discussion

The going-in capitalization rate of 6.19% reflects the in-place income and the stabilized occupancy assumption. A reserve for replacements of $250 per unit has been underwritten in the cash flow below net operating income. Effective gross income for the trailing period was $57,000, representing a 5.8% increase over the prior year. Average monthly revenue per occupied unit is $5,459, inclusive of base rent and levels of care.

The community provides assisted living and memory care services under a state-issued license with 34 full-time caregivers per shift. Effective gross income for the trailing period was $204,000, representing a 13.5% increase over the prior year. Average monthly revenue per occupied unit is $5,459, inclusive of base rent and levels of care. A reserve for replacements of $250 per unit has been underwritten in the cash flow below net operating income.

Construction Details

Maple Manor was originally constructed in 1996 and consists of 142 units in a building of 17 stories. Life-safety systems include a fully sprinklered building, addressable fire alarm panel and emergency lighting. The structure is of wood-frame, masonry and steel-frame construction on a slab-on-grade foundation. Common area interiors have been refreshed within the last 6 years and are in average to good condition. The roof is a 35-year membrane system with an estimated remaining useful life of 12 years.

The community provides assisted living and memory care services under a state-issued license with 48 full-time caregivers per shift. The roof is a 31-year membrane system with an estimated remaining useful life of 11 years. Exterior finishes comprise brick veneer, fiber-cement siding and aluminum storefront glazing in good condition. Average monthly revenue per occupied unit is $5,459, inclusive of base rent and levels of care. Life-safety systems include a fully sprinklered building, addressable fire alarm panel and emergency lighting.

Operating Performance

Debt service coverage ratio was 6.92x on a trailing basis against a covenant minimum of 1.20x. Occupancy stands at 95.8% with an average resident length of stay of 9 years. The going-in capitalization rate of 6.77% reflects the in-place income and the stabilized occupancy assumption. Average monthly revenue per occupied unit is $5,459, inclusive of base rent and levels of care.

Net operating income is projected to grow at a compound annual rate of 5.5% over the hold period. Dining, housekeeping, transportation and activities programming are included in the base fee. Average monthly revenue per occupied unit is $5,459, inclusive of base rent and levels of care. Effective gross income for the trailing period was $305,000, representing a 11.8% increase over the prior year. Debt service coverage ratio was 6.52x on a trailing basis against a covenant minimum of 1.20x. The community provides assisted living and memory care services under a state-issued license with 39 full-time caregivers per shift.

Improvements Description
