Summary and Notes

Operating Performance

Management fees are calculated at 3.3% of collected revenue and are included in operating expenses. A reserve for replacements of $250 per unit has been underwritten in the cash flow below net operating income. The project combines ground-floor retail and restaurant space with upper-level residential and office components. Net operating income is projected to grow at a compound annual rate of 4.2% over the hold period. The going-in capitalization rate of 5.43% reflects the in-place income and the stabilized occupancy assumption. Effective gross income for the trailing period was $373,000, representing a 2.6% increase over the prior year.

The project combines ground-floor retail and restaurant space with upper-level residential and office components. Percentage rent and CAM reimbursements are tracked separately for the commercial component. A reserve for replacements of $250 per unit has been underwritten in the cash flow below net operating income. Operating expenses totaled $401,000 or approximately 22.46 per square foot, with real estate taxes representing the largest line item.

Property Operations

On-site staffing consists of a property manager, assistant manager, maintenance supervisor and 41 additional team members. Collections for the period were 95.2% of billed charges, with bad debt of 6.4% of gross potential income. Percentage rent and CAM reimbursements are tracked separately for the commercial component. Residential units are leased on 12-month terms while the commercial component is leased on a triple net basis.

The property is walkable to transit, with 24 structured parking spaces shared between uses. Residential units are leased on 12-month terms while the commercial component is leased on a triple net basis. Collections for the period were 88.7% of billed charges, with bad debt of 4.3% of gross potential income. Service requests are tracked through a work-order system with an average completion time of 41 hours. On-site staffing consists of a property manager, assistant manager, maintenance supervisor and 40 additional team members. Percentage rent and CAM reimbursements are tracked separately for the commercial component.
