Leasing and Marketing

Occupancy stands at 91.8% with an average resident length of stay of 7 years. On-site staffing consists of a property manager, assistant manager, maintenance supervisor and 16 additional team members. Service requests are tracked through a work-order system with an average completion time of 40 hours. Preventive maintenance schedules for HVAC, elevators and life-safety systems were completed on time during the period. Average monthly revenue per occupied unit is $4,414, inclusive of base rent and levels of care.

Occupancy stands at 91.2% with an average resident length of stay of 10 years. Average monthly revenue per occupied unit is $4,414, inclusive of base rent and levels of care. Collections for the period were 95.2% of billed charges, with bad debt of 7.3% of gross potential income. Dining, housekeeping, transportation and activities programming are included in the base fee. On-site staffing consists of a property manager, assistant manager, maintenance supervisor and 27 additional team members. Preventive maintenance schedules for HVAC, elevators and life-safety systems were completed on time during the period.

Zoning Classification

A certificate of occupancy was issued on file for the existing improvements. The property is zoned in accordance with the Las Vegas Unified Development Ordinance and the current use is a legally permitted use. Setback, height, parking and lot coverage requirements are satisfied based on the information provided by the municipality. There are no open building code violations or pending special assessments on file with the municipality as of the date of this letter. Parking is conforming with 25 spaces provided versus 25 spaces required by code. The zoning ordinance permits rebuilding to current density if the improvements are destroyed by casualty.

Setback, height, parking and lot coverage requirements are satisfied based on the information provided by the municipality. There are no open building code violations or pending special assessments on file with the municipality as of the date of this letter. Parking is conforming with 39 spaces provided versus 39 spaces required by code. The property is zoned in accordance with the Las Vegas Unified Development Ordinance and the current use is a legally permitted use. The zoning ordinance permits rebuilding to current density if the improvements are destroyed by casualty. A certificate of occupancy was issued on file for the existing improvements.

Management Commentary

Collections for the period were 93.1% of billed charges, with bad debt of 7.9% of gross potential income. Service requests are tracked through a work-order system with an average completion time of 23 hours. The community provides assisted living and memory care services under a state-issued license with 28 full-time caregivers per shift. Average monthly revenue per occupied unit is $4,414, inclusive of base rent and levels of care. The manager completes a monthly walk of the property and submits a variance report to the owner by the 28th business day.

Preventive maintenance schedules for HVAC, elevators and life-safety systems were completed on time during the period. Marketing efforts include digital listings, signage, broker outreach and a resident referral program. The community provides assisted living and memory care services under a state-issued license with 32 full-time caregivers per shift. The manager completes a monthly walk of the property and submits a variance report to the owner by the 45th business day. Collections for the period were 88.4% of billed charges, with bad debt of 4.9% of gross potential income. Occupancy stands at 92.5% with an average resident length of stay of 12 years.

Code Compliance

The zoning ordinance permits rebuilding to current density if the improvements are destroyed by casualty. Parking is conforming with 43 spaces provided versus 43 spaces required by code. A certificate of occupancy was issued on file for the existing improvements. Setback, height, parking and lot coverage requirements are satisfied based on the information provided by the municipality.

There are no open building code violations or pending special assessments on file with the municipality as of the date of this letter. The zoning ordinance permits rebuilding to current density if the improvements are destroyed by casualty. The property is zoned in accordance with the Las Vegas Unified Development Ordinance and the current use is a legally permitted use. Parking is conforming with 13 spaces provided versus 13 spaces required by code.

Management Commentary

Occupancy stands at 96.0% with an average resident length of stay of 9 years. The community provides assisted living and memory care services under a state-issued license with 43 full-time caregivers per shift. Preventive maintenance schedules for HVAC, elevators and life-safety systems were completed on time during the period. Collections for the period were 95.3% of billed charges, with bad debt of 4.7% of gross potential income.

Collections for the period were 94.6% of billed charges, with bad debt of 4.1% of gross potential income. On-site staffing consists of a property manager, assistant manager, maintenance supervisor and 40 additional team members. The manager completes a monthly walk of the property and submits a variance report to the owner by the 22th business day. Marketing efforts include digital listings, signage, broker outreach and a resident referral program.
