# ALTA SURVEY

Lantern Terrace | Hartford, CT

| | |
|---|---|
| **Project** | Lantern Terrace |
| **Address** | 2027 Meadow Court, Hartford, CT 17729 |
| **Client** | Tidewater Core Fund |
| **Field Work Date** | July 29, 2021 |

**1. Surveyor's Certificate.** To Tidewater Core Fund, Evergreen Title Services and Summit Trail Credit Union: this is to certify that this map or plat and the survey on which it is based were made in accordance with the 2021 Minimum Standard Detail Requirements for ALTA/NSPS Land Title Surveys. Each party represents that it has full power and authority to enter into and perform its obligations hereunder. This instrument shall be binding upon and inure to the benefit of the parties and their respective successors and permitted assigns.

**2. Legal Description.** Being a tract of land situated in the county of record, beginning at an iron rod found at the intersection of the north line of Meadow Court with the east line of the tract; thence N 16° 16' 16" E, a distance of 1616.16 feet to an iron rod set. Each party represents that it has full power and authority to enter into and perform its obligations hereunder. If any term is held invalid or unenforceable, the remaining terms shall continue in full force and effect.

**3. Survey Note 1.** The property contains 3.3 acres, more or less, and has direct access to Meadow Court, a public right of way. Each party represents that it has full power and authority to enter into and perform its obligations hereunder. Time is of the essence with respect to each and every provision of this instrument.

**4. Survey Note 2.** Parking: 4444 regular spaces and 44 accessible spaces were counted on the surveyed property. The prevailing party in any action to enforce the terms hereof shall be entitled to recover reasonable attorneys' fees and costs. Each party represents that it has full power and authority to enter into and perform its obligations hereunder.

**5. Survey Note 3.** No evidence of recent earth moving work, building construction or building additions was observed in the process of conducting the fieldwork. No waiver of any provision shall be effective unless in writing and signed by the party against whom such waiver is sought. If any term is held invalid or unenforceable, the remaining terms shall continue in full force and effect.

**6. Survey Note 4.** The surveyed property lies within Zone X (areas determined to be outside the 0.2% annual chance floodplain) per FIRM panel in effect. Time is of the essence with respect to each and every provision of this instrument. This instrument shall be binding upon and inure to the benefit of the parties and their respective successors and permitted assigns.

**7. Easements.** Utility easements as shown on the face of the survey are plotted to the extent described in the record documents provided in the title commitment. No waiver of any provision shall be effective unless in writing and signed by the party against whom such waiver is sought. The prevailing party in any action to enforce the terms hereof shall be entitled to recover reasonable attorneys' fees and costs.

**8. Surveyor's Certificate.** To Tidewater Core Fund, Evergreen Title Services and Summit Trail Credit Union: this is to certify that this map or plat and the survey on which it is based were made in accordance with the 2021 Minimum Standard Detail Requirements for ALTA/NSPS Land Title Surveys. Each party represents that it has full power and authority to enter into and perform its obligations hereunder. The prevailing party in any action to enforce the terms hereof shall be entitled to recover reasonable attorneys' fees and costs.

**9. Legal Description.** Being a tract of land situated in the county of record, beginning at an iron rod found at the intersection of the north line of Meadow Court with the east line of the tract; thence N 27° 27' 27" E, a distance of 2727.27 feet to an iron rod set. Each party represents that it has full power and authority to enter into and perform its obligations hereunder. Time is of the essence with respect to each and every provision of this instrument.

**10. Survey Note 1.** The property contains 18.18 acres, more or less, and has direct access to Meadow Court, a public right of way. Time is of the essence with respect to each and every provision of this instrument. The prevailing party in any action to enforce the terms hereof shall be entitled to recover reasonable attorneys' fees and costs.

**11. Survey Note 2.** Parking: 4040 regular spaces and 40 accessible spaces were counted on the surveyed property. This instrument shall be binding upon and inure to the benefit of the parties and their respective successors and permitted assigns. The prevailing party in any action to enforce the terms hereof shall be entitled to recover reasonable attorneys' fees and costs.

**12. Survey Note 3.** No evidence of recent earth moving work, building construction or building additions was observed in the process of conducting the fieldwork. This instrument shall be binding upon and inure to the benefit of the parties and their respective successors and permitted assigns. Each party represents that it has full power and authority to enter into and perform its obligations hereunder.

**13. Survey Note 4.** The surveyed property lies within Zone X (areas determined to be outside the 0.2% annual chance floodplain) per FIRM panel in effect. Each party represents that it has full power and authority to enter into and perform its obligations hereunder. This instrument shall be binding upon and inure to the benefit of the parties and their respective successors and permitted assigns.

**14. Easements.** Utility easements as shown on the face of the survey are plotted to the extent described in the record documents provided in the title commitment. All notices required or permitted hereunder shall be in writing and delivered by certified mail, nationally recognized overnight courier or electronic mail with confirmation of receipt. The prevailing party in any action to enforce the terms hereof shall be entitled to recover reasonable attorneys' fees and costs.

## Access and Utilities

The site contains approximately 39.39 acres and is generally level with frontage along Meadow Court. Utilities, including electric, natural gas and telecommunications, are available to the site from the street. Surrounding land uses include residential, commercial and light industrial properties of similar vintage. Soils are typical of the region and no evidence of unsuitable conditions was observed at the time of inspection.

The site is not located within a designated 100-year floodplain according to the FEMA flood map in effect. The site contains approximately 34.34 acres and is generally level with frontage along Meadow Court. Access to the site is provided by 29 curb cuts and the property is served by municipal water and sanitary sewer. Surrounding land uses include residential, commercial and light industrial properties of similar vintage.

## Access and Utilities

Soils are typical of the region and no evidence of unsuitable conditions was observed at the time of inspection. The site contains approximately 37.37 acres and is generally level with frontage along Meadow Court. Surrounding land uses include residential, commercial and light industrial properties of similar vintage. Access to the site is provided by 34 curb cuts and the property is served by municipal water and sanitary sewer. Utilities, including electric, natural gas and telecommunications, are available to the site from the street.

Utilities, including electric, natural gas and telecommunications, are available to the site from the street. The site contains approximately 25.25 acres and is generally level with frontage along Meadow Court. Soils are typical of the region and no evidence of unsuitable conditions was observed at the time of inspection. Access to the site is provided by 37 curb cuts and the property is served by municipal water and sanitary sewer.

## Site Description

The site is not located within a designated 100-year floodplain according to the FEMA flood map in effect. The site contains approximately 20.20 acres and is generally level with frontage along Meadow Court. Utilities, including electric, natural gas and telecommunications, are available to the site from the street. Soils are typical of the region and no evidence of unsuitable conditions was observed at the time of inspection.

Utilities, including electric, natural gas and telecommunications, are available to the site from the street. The site contains approximately 15.15 acres and is generally level with frontage along Meadow Court. The site is not located within a designated 100-year floodplain according to the FEMA flood map in effect. Surrounding land uses include residential, commercial and light industrial properties of similar vintage. Soils are typical of the region and no evidence of unsuitable conditions was observed at the time of inspection.
