Demographics and Employment

Market vacancy for comparable Self Storage product stands at 5.1%, down from 6.0% two years ago. Ancillary income includes tenant insurance, merchandise sales and truck rental commissions. New construction starts have decelerated due to higher financing costs and tighter lending standards, which supports the existing supply. Unit sizes range from 5x5 to 10x30 and the property is managed by an on-site team with online rental capability. The Boston Self Storage market has experienced absorption of 3900 thousand square feet or equivalent units over the trailing twelve months, outpacing new deliveries.

Rent growth in the submarket has averaged 5.9% annually over the past 5 years. The facility offers climate-controlled and drive-up units, a manager's office, keypad gate access and video surveillance. Jasper Verde Secure Storage is located in Boston, MA, a market that has recorded 3.4% population growth over the last five years. Employment growth is led by healthcare, logistics, education and professional services sectors. Unit sizes range from 5x5 to 10x30 and the property is managed by an on-site team with online rental capability.

Access and Utilities

Surrounding land uses include residential, commercial and light industrial properties of similar vintage. The site is not located within a designated 100-year floodplain according to the FEMA flood map in effect. Soils are typical of the region and no evidence of unsuitable conditions was observed at the time of inspection. The site contains approximately 28.28 acres and is generally level with frontage along Heritage Drive. Utilities, including electric, natural gas and telecommunications, are available to the site from the street.

Soils are typical of the region and no evidence of unsuitable conditions was observed at the time of inspection. The site is not located within a designated 100-year floodplain according to the FEMA flood map in effect. Surrounding land uses include residential, commercial and light industrial properties of similar vintage. Access to the site is provided by 38 curb cuts and the property is served by municipal water and sanitary sewer. Utilities, including electric, natural gas and telecommunications, are available to the site from the street.

Market Overview

Employment growth is led by healthcare, logistics, education and professional services sectors. New construction starts have decelerated due to higher financing costs and tighter lending standards, which supports the existing supply. Median household income within a 6-mile radius of the property is approximately $180,000 and has grown 4.1% annually. Rent growth in the submarket has averaged 4.1% annually over the past 10 years. Market vacancy for comparable Self Storage product stands at 8.8%, down from 7.9% two years ago.

Market vacancy for comparable Self Storage product stands at 11.5%, down from 3.5% two years ago. The Boston Self Storage market has experienced absorption of 1500 thousand square feet or equivalent units over the trailing twelve months, outpacing new deliveries. Employment growth is led by healthcare, logistics, education and professional services sectors. The facility offers climate-controlled and drive-up units, a manager's office, keypad gate access and video surveillance. Unit sizes range from 5x5 to 10x30 and the property is managed by an on-site team with online rental capability.

Site Description

The site contains approximately 34.34 acres and is generally level with frontage along Heritage Drive. Surrounding land uses include residential, commercial and light industrial properties of similar vintage. Utilities, including electric, natural gas and telecommunications, are available to the site from the street. Access to the site is provided by 36 curb cuts and the property is served by municipal water and sanitary sewer.

Surrounding land uses include residential, commercial and light industrial properties of similar vintage. Utilities, including electric, natural gas and telecommunications, are available to the site from the street. Soils are typical of the region and no evidence of unsuitable conditions was observed at the time of inspection. The site is not located within a designated 100-year floodplain according to the FEMA flood map in effect. The site contains approximately 13.13 acres and is generally level with frontage along Heritage Drive.

Submarket Analysis

The Boston Self Storage market has experienced absorption of 800 thousand square feet or equivalent units over the trailing twelve months, outpacing new deliveries. Employment growth is led by healthcare, logistics, education and professional services sectors. New construction starts have decelerated due to higher financing costs and tighter lending standards, which supports the existing supply. The facility offers climate-controlled and drive-up units, a manager's office, keypad gate access and video surveillance.

Operating Performance

Physical occupancy is 91.7% and the average in-place rent is $182 per unit per month. A reserve for replacements of $250 per unit has been underwritten in the cash flow below net operating income. The going-in capitalization rate of 6.62% reflects the in-place income and the stabilized occupancy assumption. Management fees are calculated at 5.2% of collected revenue and are included in operating expenses.

A reserve for replacements of $250 per unit has been underwritten in the cash flow below net operating income. The going-in capitalization rate of 5.81% reflects the in-place income and the stabilized occupancy assumption. Unit sizes range from 5x5 to 10x30 and the property is managed by an on-site team with online rental capability. Net operating income is projected to grow at a compound annual rate of 7.6% over the hold period.

Income and Expense Review

Effective gross income for the trailing period was $128,000, representing a 3.8% increase over the prior year. Ancillary income includes tenant insurance, merchandise sales and truck rental commissions. Net operating income is projected to grow at a compound annual rate of 6.8% over the hold period. The facility offers climate-controlled and drive-up units, a manager's office, keypad gate access and video surveillance. The going-in capitalization rate of 6.69% reflects the in-place income and the stabilized occupancy assumption.

Physical occupancy is 89.2% and the average in-place rent is $182 per unit per month. Unit sizes range from 5x5 to 10x30 and the property is managed by an on-site team with online rental capability. Operating expenses totaled $195,000 or approximately 38.01 per square foot, with real estate taxes representing the largest line item. Management fees are calculated at 6.5% of collected revenue and are included in operating expenses. The going-in capitalization rate of 7.58% reflects the in-place income and the stabilized occupancy assumption.

Income and Expense Review

The going-in capitalization rate of 5.41% reflects the in-place income and the stabilized occupancy assumption. Debt service coverage ratio was 6.92x on a trailing basis against a covenant minimum of 1.20x. A reserve for replacements of $250 per unit has been underwritten in the cash flow below net operating income. Effective gross income for the trailing period was $448,000, representing a 10.5% increase over the prior year. Ancillary income includes tenant insurance, merchandise sales and truck rental commissions. Physical occupancy is 88.2% and the average in-place rent is $182 per unit per month.

The facility offers climate-controlled and drive-up units, a manager's office, keypad gate access and video surveillance. The going-in capitalization rate of 5.92% reflects the in-place income and the stabilized occupancy assumption. Net operating income is projected to grow at a compound annual rate of 6.6% over the hold period. Management fees are calculated at 3.6% of collected revenue and are included in operating expenses.

Market Overview

Investor demand for Self Storage assets in Boston remains strong with recent trades at capitalization rates between 6.25% and 6.25%. Physical occupancy is 94.6% and the average in-place rent is $182 per unit per month. Unit sizes range from 5x5 to 10x30 and the property is managed by an on-site team with online rental capability. The facility offers climate-controlled and drive-up units, a manager's office, keypad gate access and video surveillance.

Rent growth in the submarket has averaged 3.5% annually over the past 7 years. Median household income within a 7-mile radius of the property is approximately $98,000 and has grown 11.4% annually. Investor demand for Self Storage assets in Boston remains strong with recent trades at capitalization rates between 7.74% and 7.74%. Jasper Verde Secure Storage is located in Boston, MA, a market that has recorded 8.5% population growth over the last five years. Ancillary income includes tenant insurance, merchandise sales and truck rental commissions. New construction starts have decelerated due to higher financing costs and tighter lending standards, which supports the existing supply.

Topography and Flood Zone

Soils are typical of the region and no evidence of unsuitable conditions was observed at the time of inspection. The site contains approximately 9.9 acres and is generally level with frontage along Heritage Drive. The site is not located within a designated 100-year floodplain according to the FEMA flood map in effect. Surrounding land uses include residential, commercial and light industrial properties of similar vintage. Utilities, including electric, natural gas and telecommunications, are available to the site from the street.

The site contains approximately 19.19 acres and is generally level with frontage along Heritage Drive. Access to the site is provided by 43 curb cuts and the property is served by municipal water and sanitary sewer. Surrounding land uses include residential, commercial and light industrial properties of similar vintage. Utilities, including electric, natural gas and telecommunications, are available to the site from the street.

Market Overview

Rent growth in the submarket has averaged 3.6% annually over the past 10 years. Employment growth is led by healthcare, logistics, education and professional services sectors. Median household income within a 1-mile radius of the property is approximately $113,000 and has grown 4.6% annually. Physical occupancy is 91.9% and the average in-place rent is $182 per unit per month. Investor demand for Self Storage assets in Boston remains strong with recent trades at capitalization rates between 6.57% and 6.57%. Market vacancy for comparable Self Storage product stands at 4.3%, down from 4.0% two years ago.

Employment growth is led by healthcare, logistics, education and professional services sectors. The Boston Self Storage market has experienced absorption of 4300 thousand square feet or equivalent units over the trailing twelve months, outpacing new deliveries. Ancillary income includes tenant insurance, merchandise sales and truck rental commissions. Investor demand for Self Storage assets in Boston remains strong with recent trades at capitalization rates between 8.19% and 8.19%. The facility offers climate-controlled and drive-up units, a manager's office, keypad gate access and video surveillance.
