Valuation Discussion

The project combines ground-floor retail and restaurant space with upper-level residential and office components. Operating expenses totaled $308,000 or approximately 32.92 per square foot, with real estate taxes representing the largest line item. Debt service coverage ratio was 7.15x on a trailing basis against a covenant minimum of 1.20x. Management fees are calculated at 7.9% of collected revenue and are included in operating expenses. Effective gross income for the trailing period was $458,000, representing a 10.4% increase over the prior year.

Percentage rent and CAM reimbursements are tracked separately for the commercial component. The going-in capitalization rate of 6.51% reflects the in-place income and the stabilized occupancy assumption. Residential units are leased on 12-month terms while the commercial component is leased on a triple net basis. The property is walkable to transit, with 23 structured parking spaces shared between uses. Operating expenses totaled $328,000 or approximately 32.71 per square foot, with real estate taxes representing the largest line item.
