Permitted Uses and Parking

A certificate of occupancy was issued on file for the existing improvements. The zoning ordinance permits rebuilding to current density if the improvements are destroyed by casualty. Parking is conforming with 20 spaces provided versus 20 spaces required by code. Setback, height, parking and lot coverage requirements are satisfied based on the information provided by the municipality. There are no open building code violations or pending special assessments on file with the municipality as of the date of this letter. The property is zoned in accordance with the Indianapolis Unified Development Ordinance and the current use is a legally permitted use.
