Valuation Discussion

The going-in capitalization rate of 7.89% reflects the in-place income and the stabilized occupancy assumption. Percentage rent and CAM reimbursements are tracked separately for the commercial component. The project combines ground-floor retail and restaurant space with upper-level residential and office components. Management fees are calculated at 7.3% of collected revenue and are included in operating expenses. A reserve for replacements of $250 per unit has been underwritten in the cash flow below net operating income. Operating expenses totaled $251,000 or approximately 28.34 per square foot, with real estate taxes representing the largest line item.
