Dover Storage Depot | Las Vegas, NV

Property	Dover Storage Depot
Location	5957 Commerce Lane, Las Vegas, NV 54811
Property Type	Self Storage
Size	551 storage units
Year Built	1989
Offering	Unpriced - Offers Due January 1, 2024

Risk Considerations

Ancillary income includes tenant insurance, merchandise sales and truck rental commissions. The investment thesis is based on stabilizing occupancy, completing the capital plan and capturing rent growth to market. Distributions to investors for the quarter were paid at an annualized rate of 3.9% on contributed capital. Leasing velocity improved during the period and management expects further upward pressure on in-place rents.

The facility offers climate-controlled and drive-up units, a manager's office, keypad gate access and video surveillance. Unit sizes range from 5x5 to 10x30 and the property is managed by an on-site team with online rental capability. Ancillary income includes tenant insurance, merchandise sales and truck rental commissions. Projected levered IRR is 10.6% with an equity multiple of 1.16x over the hold period.

Supply and Demand

Dover Storage Depot is located in Las Vegas, NV, a market that has recorded 5.9% population growth over the last five years. Rent growth in the submarket has averaged 6.4% annually over the past 9 years. Ancillary income includes tenant insurance, merchandise sales and truck rental commissions. Median household income within a 7-mile radius of the property is approximately $157,000 and has grown 11.8% annually.

Unit sizes range from 5x5 to 10x30 and the property is managed by an on-site team with online rental capability. The Las Vegas Self Storage market has experienced absorption of 3200 thousand square feet or equivalent units over the trailing twelve months, outpacing new deliveries. Physical occupancy is 88.8% and the average in-place rent is $167 per unit per month. Ancillary income includes tenant insurance, merchandise sales and truck rental commissions.

Business Plan Progress

Physical occupancy is 94.3% and the average in-place rent is $167 per unit per month. The investment thesis is based on stabilizing occupancy, completing the capital plan and capturing rent growth to market. Ancillary income includes tenant insurance, merchandise sales and truck rental commissions. The facility offers climate-controlled and drive-up units, a manager's office, keypad gate access and video surveillance.

The investment thesis is based on stabilizing occupancy, completing the capital plan and capturing rent growth to market. Leasing velocity improved during the period and management expects further upward pressure on in-place rents. Physical occupancy is 88.2% and the average in-place rent is $167 per unit per month. Unit sizes range from 5x5 to 10x30 and the property is managed by an on-site team with online rental capability. Distributions to investors for the quarter were paid at an annualized rate of 3.6% on contributed capital.

Construction Details

Ancillary income includes tenant insurance, merchandise sales and truck rental commissions. Unit sizes range from 5x5 to 10x30 and the property is managed by an on-site team with online rental capability. Exterior finishes comprise brick veneer, fiber-cement siding and aluminum storefront glazing in good condition. Dover Storage Depot was originally constructed in 1989 and consists of 551 storage units in a building of 19 stories. The facility offers climate-controlled and drive-up units, a manager's office, keypad gate access and video surveillance.

Dover Storage Depot was originally constructed in 1989 and consists of 551 storage units in a building of 22 stories. Mechanical systems include rooftop package units and central plant equipment of varying age. The structure is of wood-frame, masonry and steel-frame construction on a slab-on-grade foundation. The facility offers climate-controlled and drive-up units, a manager's office, keypad gate access and video surveillance. Life-safety systems include a fully sprinklered building, addressable fire alarm panel and emergency lighting.

Financial Analysis

A reserve for replacements of $250 per unit has been underwritten in the cash flow below net operating income. The facility offers climate-controlled and drive-up units, a manager's office, keypad gate access and video surveillance. Effective gross income for the trailing period was $289,000, representing a 4.2% increase over the prior year. Management fees are calculated at 3.8% of collected revenue and are included in operating expenses.

The facility offers climate-controlled and drive-up units, a manager's office, keypad gate access and video surveillance. Operating expenses totaled $96,000 or approximately 47.25 per square foot, with real estate taxes representing the largest line item. Ancillary income includes tenant insurance, merchandise sales and truck rental commissions. Management fees are calculated at 3.7% of collected revenue and are included in operating expenses. Physical occupancy is 92.4% and the average in-place rent is $167 per unit per month.

Improvements Description

The structure is of wood-frame, masonry and steel-frame construction on a slab-on-grade foundation. Common area interiors have been refreshed within the last 10 years and are in average to good condition. Mechanical systems include rooftop package units and central plant equipment of varying age. Physical occupancy is 88.4% and the average in-place rent is $167 per unit per month. Life-safety systems include a fully sprinklered building, addressable fire alarm panel and emergency lighting.

The structure is of wood-frame, masonry and steel-frame construction on a slab-on-grade foundation. The roof is a 3-year membrane system with an estimated remaining useful life of 4 years. Life-safety systems include a fully sprinklered building, addressable fire alarm panel and emergency lighting. The facility offers climate-controlled and drive-up units, a manager's office, keypad gate access and video surveillance. Physical occupancy is 93.1% and the average in-place rent is $167 per unit per month.

Financial Analysis

The going-in capitalization rate of 7.32% reflects the in-place income and the stabilized occupancy assumption. Unit sizes range from 5x5 to 10x30 and the property is managed by an on-site team with online rental capability. Management fees are calculated at 5.9% of collected revenue and are included in operating expenses. Effective gross income for the trailing period was $302,000, representing a 5.8% increase over the prior year. Physical occupancy is 88.9% and the average in-place rent is $167 per unit per month. Ancillary income includes tenant insurance, merchandise sales and truck rental commissions.

The facility offers climate-controlled and drive-up units, a manager's office, keypad gate access and video surveillance. Effective gross income for the trailing period was $279,000, representing a 7.9% increase over the prior year. Management fees are calculated at 3.8% of collected revenue and are included in operating expenses. A reserve for replacements of $250 per unit has been underwritten in the cash flow below net operating income. Operating expenses totaled $394,000 or approximately 20.23 per square foot, with real estate taxes representing the largest line item.

Construction Details

Mechanical systems include rooftop package units and central plant equipment of varying age. The roof is a 41-year membrane system with an estimated remaining useful life of 12 years. The structure is of wood-frame, masonry and steel-frame construction on a slab-on-grade foundation. Physical occupancy is 94.8% and the average in-place rent is $167 per unit per month. The facility offers climate-controlled and drive-up units, a manager's office, keypad gate access and video surveillance.
