Investor Distributions

Key risks include interest rate exposure, tenant rollover, construction cost overruns and local supply additions. The business plan contemplates a hold period of 10 years with disposition upon achievement of target returns. Leasing velocity improved during the period and management expects further upward pressure on in-place rents. The facility is located 1 miles from the interstate with access to a regional intermodal terminal. Distributions to investors for the quarter were paid at an annualized rate of 7.0% on contributed capital.

The business plan contemplates a hold period of 7 years with disposition upon achievement of target returns. Key risks include interest rate exposure, tenant rollover, construction cost overruns and local supply additions. In-place rents average $10 per square foot triple net with 3% annual escalations. The facility is located 3 miles from the interstate with access to a regional intermodal terminal.

Supply and Demand

The facility is located 2 miles from the interstate with access to a regional intermodal terminal. Investor demand for Industrial assets in Grand Rapids remains strong with recent trades at capitalization rates between 6.54% and 6.54%. The Grand Rapids Industrial market has experienced absorption of 4600 thousand square feet or equivalent units over the trailing twelve months, outpacing new deliveries. In-place rents average $10 per square foot triple net with 3% annual escalations. The building offers 19' clear height, ESFR sprinklers, dock-high and drive-in doors, and a secured truck court with trailer parking. Rent growth in the submarket has averaged 3.2% annually over the past 6 years.

Cross-dock and rear-load configurations allow for flexible multi-tenant demising. The building offers 6' clear height, ESFR sprinklers, dock-high and drive-in doors, and a secured truck court with trailer parking. The Grand Rapids Industrial market has experienced absorption of 2500 thousand square feet or equivalent units over the trailing twelve months, outpacing new deliveries. In-place rents average $10 per square foot triple net with 3% annual escalations.

Business Plan Progress

Projected levered IRR is 7.2% with an equity multiple of 1.7x over the hold period. Cross-dock and rear-load configurations allow for flexible multi-tenant demising. In-place rents average $10 per square foot triple net with 3% annual escalations. The building offers 25' clear height, ESFR sprinklers, dock-high and drive-in doors, and a secured truck court with trailer parking. Key risks include interest rate exposure, tenant rollover, construction cost overruns and local supply additions. The investment thesis is based on stabilizing occupancy, completing the capital plan and capturing rent growth to market.

The facility is located 5 miles from the interstate with access to a regional intermodal terminal. Projected levered IRR is 10.9% with an equity multiple of 1.6x over the hold period. Key risks include interest rate exposure, tenant rollover, construction cost overruns and local supply additions. Distributions to investors for the quarter were paid at an annualized rate of 7.5% on contributed capital.

Supply and Demand

The facility is located 3 miles from the interstate with access to a regional intermodal terminal. Cross-dock and rear-load configurations allow for flexible multi-tenant demising. Employment growth is led by healthcare, logistics, education and professional services sectors. Market vacancy for comparable Industrial product stands at 10.9%, down from 3.2% two years ago. The Grand Rapids Industrial market has experienced absorption of 1100 thousand square feet or equivalent units over the trailing twelve months, outpacing new deliveries. The building offers 25' clear height, ESFR sprinklers, dock-high and drive-in doors, and a secured truck court with trailer parking.

Rent growth in the submarket has averaged 7.8% annually over the past 7 years. Fairmont Jasper Business Park is located in Grand Rapids, MI, a market that has recorded 2.8% population growth over the last five years. New construction starts have decelerated due to higher financing costs and tighter lending standards, which supports the existing supply. The facility is located 6 miles from the interstate with access to a regional intermodal terminal.

Building Systems

Life-safety systems include a fully sprinklered building, addressable fire alarm panel and emergency lighting. The roof is a 33-year membrane system with an estimated remaining useful life of 11 years. Cross-dock and rear-load configurations allow for flexible multi-tenant demising. Mechanical systems include rooftop package units and central plant equipment of varying age. The facility is located 8 miles from the interstate with access to a regional intermodal terminal.

The structure is of wood-frame, masonry and steel-frame construction on a slab-on-grade foundation. Cross-dock and rear-load configurations allow for flexible multi-tenant demising. Exterior finishes comprise brick veneer, fiber-cement siding and aluminum storefront glazing in good condition. In-place rents average $10 per square foot triple net with 3% annual escalations.

Financial Analysis

Net operating income is projected to grow at a compound annual rate of 7.9% over the hold period. In-place rents average $10 per square foot triple net with 3% annual escalations. A reserve for replacements of $250 per unit has been underwritten in the cash flow below net operating income. Debt service coverage ratio was 7.43x on a trailing basis against a covenant minimum of 1.20x.

Management fees are calculated at 5.9% of collected revenue and are included in operating expenses. Debt service coverage ratio was 5.50x on a trailing basis against a covenant minimum of 1.20x. A reserve for replacements of $250 per unit has been underwritten in the cash flow below net operating income. The going-in capitalization rate of 5.97% reflects the in-place income and the stabilized occupancy assumption.

Construction Details

Fairmont Jasper Business Park was originally constructed in 2009 and consists of 239,000 SF in a building of 31 stories. The building offers 31' clear height, ESFR sprinklers, dock-high and drive-in doors, and a secured truck court with trailer parking. The facility is located 7 miles from the interstate with access to a regional intermodal terminal. The structure is of wood-frame, masonry and steel-frame construction on a slab-on-grade foundation. Mechanical systems include rooftop package units and central plant equipment of varying age. Life-safety systems include a fully sprinklered building, addressable fire alarm panel and emergency lighting.

Common area interiors have been refreshed within the last 9 years and are in average to good condition. The roof is a 41-year membrane system with an estimated remaining useful life of 9 years. In-place rents average $10 per square foot triple net with 3% annual escalations. Exterior finishes comprise brick veneer, fiber-cement siding and aluminum storefront glazing in good condition. Fairmont Jasper Business Park was originally constructed in 2009 and consists of 239,000 SF in a building of 37 stories.

Valuation Discussion

A reserve for replacements of $250 per unit has been underwritten in the cash flow below net operating income. Debt service coverage ratio was 6.85x on a trailing basis against a covenant minimum of 1.20x. Net operating income is projected to grow at a compound annual rate of 6.9% over the hold period. In-place rents average $10 per square foot triple net with 3% annual escalations.

Management fees are calculated at 5.6% of collected revenue and are included in operating expenses. Cross-dock and rear-load configurations allow for flexible multi-tenant demising. Effective gross income for the trailing period was $45,000, representing a 10.9% increase over the prior year. The building offers 32' clear height, ESFR sprinklers, dock-high and drive-in doors, and a secured truck court with trailer parking. A reserve for replacements of $250 per unit has been underwritten in the cash flow below net operating income.
