Property Operations

On-site staffing consists of a property manager, assistant manager, maintenance supervisor and 20 additional team members. Ancillary income includes tenant insurance, merchandise sales and truck rental commissions. The manager completes a monthly walk of the property and submits a variance report to the owner by the 3th business day. Preventive maintenance schedules for HVAC, elevators and life-safety systems were completed on time during the period. Marketing efforts include digital listings, signage, broker outreach and a resident referral program. Collections for the period were 88.7% of billed charges, with bad debt of 3.3% of gross potential income.

The manager completes a monthly walk of the property and submits a variance report to the owner by the 6th business day. On-site staffing consists of a property manager, assistant manager, maintenance supervisor and 37 additional team members. Collections for the period were 96.4% of billed charges, with bad debt of 4.9% of gross potential income. Ancillary income includes tenant insurance, merchandise sales and truck rental commissions. Service requests are tracked through a work-order system with an average completion time of 5 hours. Marketing efforts include digital listings, signage, broker outreach and a resident referral program.

Leasing and Marketing

Physical occupancy is 94.8% and the average in-place rent is $151 per unit per month. The facility offers climate-controlled and drive-up units, a manager's office, keypad gate access and video surveillance. Ancillary income includes tenant insurance, merchandise sales and truck rental commissions. Marketing efforts include digital listings, signage, broker outreach and a resident referral program.

On-site staffing consists of a property manager, assistant manager, maintenance supervisor and 21 additional team members. The manager completes a monthly walk of the property and submits a variance report to the owner by the 44th business day. Collections for the period were 96.3% of billed charges, with bad debt of 5.1% of gross potential income. The facility offers climate-controlled and drive-up units, a manager's office, keypad gate access and video surveillance. Unit sizes range from 5x5 to 10x30 and the property is managed by an on-site team with online rental capability. Preventive maintenance schedules for HVAC, elevators and life-safety systems were completed on time during the period.

Management Commentary

The facility offers climate-controlled and drive-up units, a manager's office, keypad gate access and video surveillance. The manager completes a monthly walk of the property and submits a variance report to the owner by the 2th business day. Unit sizes range from 5x5 to 10x30 and the property is managed by an on-site team with online rental capability. Marketing efforts include digital listings, signage, broker outreach and a resident referral program. Physical occupancy is 93.6% and the average in-place rent is $151 per unit per month.

The facility offers climate-controlled and drive-up units, a manager's office, keypad gate access and video surveillance. Preventive maintenance schedules for HVAC, elevators and life-safety systems were completed on time during the period. Service requests are tracked through a work-order system with an average completion time of 26 hours. Unit sizes range from 5x5 to 10x30 and the property is managed by an on-site team with online rental capability. Ancillary income includes tenant insurance, merchandise sales and truck rental commissions. On-site staffing consists of a property manager, assistant manager, maintenance supervisor and 7 additional team members.

Summary and Notes

Income and Expense Review

The facility offers climate-controlled and drive-up units, a manager's office, keypad gate access and video surveillance. Net operating income is projected to grow at a compound annual rate of 6.4% over the hold period. A reserve for replacements of $250 per unit has been underwritten in the cash flow below net operating income. Operating expenses totaled $332,000 or approximately 8.44 per square foot, with real estate taxes representing the largest line item.

The going-in capitalization rate of 5.69% reflects the in-place income and the stabilized occupancy assumption. Physical occupancy is 90.8% and the average in-place rent is $151 per unit per month. Ancillary income includes tenant insurance, merchandise sales and truck rental commissions. Effective gross income for the trailing period was $117,000, representing a 11.8% increase over the prior year.

Management Commentary

Service requests are tracked through a work-order system with an average completion time of 8 hours. The manager completes a monthly walk of the property and submits a variance report to the owner by the 12th business day. Marketing efforts include digital listings, signage, broker outreach and a resident referral program. On-site staffing consists of a property manager, assistant manager, maintenance supervisor and 32 additional team members. Physical occupancy is 90.7% and the average in-place rent is $151 per unit per month. Unit sizes range from 5x5 to 10x30 and the property is managed by an on-site team with online rental capability.

The facility offers climate-controlled and drive-up units, a manager's office, keypad gate access and video surveillance. Physical occupancy is 88.7% and the average in-place rent is $151 per unit per month. Service requests are tracked through a work-order system with an average completion time of 30 hours. Preventive maintenance schedules for HVAC, elevators and life-safety systems were completed on time during the period.
