ALTA SURVEY

Upland Technology Campus | New Orleans, LA

Project	Upland Technology Campus
Address	4105 Railroad Street, New Orleans, LA 63489
Client	Anchorage Meadow Partners
Field Work Date	December 8, 2020

1. Surveyor's Certificate. To Anchorage Meadow Partners, Patriot Land Title and Harbor Mutual Life: this is to certify that this map or plat and the survey on which it is based were made in accordance with the 2021 Minimum Standard Detail Requirements for ALTA/NSPS Land Title Surveys. The prevailing party in any action to enforce the terms hereof shall be entitled to recover reasonable attorneys' fees and costs. Time is of the essence with respect to each and every provision of this instrument.

2. Legal Description. Being a tract of land situated in the county of record, beginning at an iron rod found at the intersection of the north line of Railroad Street with the east line of the tract; thence N 23° 23' 23" E, a distance of 2323.23 feet to an iron rod set. No waiver of any provision shall be effective unless in writing and signed by the party against whom such waiver is sought. Each party represents that it has full power and authority to enter into and perform its obligations hereunder.

3. Survey Note 1. The property contains 14.14 acres, more or less, and has direct access to Railroad Street, a public right of way. Notwithstanding anything to the contrary contained herein, the parties agree that the foregoing shall be construed in accordance with the laws of the State of LA. The prevailing party in any action to enforce the terms hereof shall be entitled to recover reasonable attorneys' fees and costs.

4. Survey Note 2. Parking: 4646 regular spaces and 46 accessible spaces were counted on the surveyed property. If any term is held invalid or unenforceable, the remaining terms shall continue in full force and effect. No waiver of any provision shall be effective unless in writing and signed by the party against whom such waiver is sought.

5. Survey Note 3. No evidence of recent earth moving work, building construction or building additions was observed in the process of conducting the fieldwork. If any term is held invalid or unenforceable, the remaining terms shall continue in full force and effect. Each party represents that it has full power and authority to enter into and perform its obligations hereunder.

6. Survey Note 4. The surveyed property lies within Zone X (areas determined to be outside the 0.2% annual chance floodplain) per FIRM panel in effect. Each party represents that it has full power and authority to enter into and perform its obligations hereunder. If any term is held invalid or unenforceable, the remaining terms shall continue in full force and effect.

7. Easements. Utility easements as shown on the face of the survey are plotted to the extent described in the record documents provided in the title commitment. No waiver of any provision shall be effective unless in writing and signed by the party against whom such waiver is sought. If any term is held invalid or unenforceable, the remaining terms shall continue in full force and effect.

8. Surveyor's Certificate. To Anchorage Meadow Partners, Patriot Land Title and Harbor Mutual Life: this is to certify that this map or plat and the survey on which it is based were made in accordance with the 2021 Minimum Standard Detail Requirements for ALTA/NSPS Land Title Surveys. Time is of the essence with respect to each and every provision of this instrument. This instrument shall be binding upon and inure to the benefit of the parties and their respective successors and permitted assigns.

9. Legal Description. Being a tract of land situated in the county of record, beginning at an iron rod found at the intersection of the north line of Railroad Street with the east line of the tract; thence N 35° 35' 35" E, a distance of 3535.35 feet to an iron rod set. Time is of the essence with respect to each and every provision of this instrument. This instrument shall be binding upon and inure to the benefit of the parties and their respective successors and permitted assigns.

10. Survey Note 1. The property contains 48.48 acres, more or less, and has direct access to Railroad Street, a public right of way. If any term is held invalid or unenforceable, the remaining terms shall continue in full force and effect. Time is of the essence with respect to each and every provision of this instrument.

11. Survey Note 2. Parking: 1616 regular spaces and 16 accessible spaces were counted on the surveyed property. If any term is held invalid or unenforceable, the remaining terms shall continue in full force and effect. This instrument shall be binding upon and inure to the benefit of the parties and their respective successors and permitted assigns.

12. Survey Note 3. No evidence of recent earth moving work, building construction or building additions was observed in the process of conducting the fieldwork. This instrument shall be binding upon and inure to the benefit of the parties and their respective successors and permitted assigns. The prevailing party in any action to enforce the terms hereof shall be entitled to recover reasonable attorneys' fees and costs.

13. Survey Note 4. The surveyed property lies within Zone X (areas determined to be outside the 0.2% annual chance floodplain) per FIRM panel in effect. All notices required or permitted hereunder shall be in writing and delivered by certified mail, nationally recognized overnight courier or electronic mail with confirmation of receipt. The prevailing party in any action to enforce the terms hereof shall be entitled to recover reasonable attorneys' fees and costs.

14. Easements. Utility easements as shown on the face of the survey are plotted to the extent described in the record documents provided in the title commitment. No waiver of any provision shall be effective unless in writing and signed by the party against whom such waiver is sought. Notwithstanding anything to the contrary contained herein, the parties agree that the foregoing shall be construed in accordance with the laws of the State of LA.
