Property	Willow Market Lofts
Address	1474 Pioneer Parkway, Charlotte, NC 73649
Site Visit Date	August 12, 2022
Client	Sunbelt Ridge Acquisitions
Immediate Repairs	$67,000

Building Systems

The roof is a 11-year membrane system with an estimated remaining useful life of 7 years. The property is walkable to transit, with 29 structured parking spaces shared between uses. Exterior finishes comprise brick veneer, fiber-cement siding and aluminum storefront glazing in good condition. Common area interiors have been refreshed within the last 9 years and are in average to good condition.

Exterior finishes comprise brick veneer, fiber-cement siding and aluminum storefront glazing in good condition. The project combines ground-floor retail and restaurant space with upper-level residential and office components. Mechanical systems include rooftop package units and central plant equipment of varying age. Life-safety systems include a fully sprinklered building, addressable fire alarm panel and emergency lighting. Percentage rent and CAM reimbursements are tracked separately for the commercial component. Residential units are leased on 12-month terms while the commercial component is leased on a triple net basis.

Deferred Maintenance

Asphalt paving shows alligator cracking and should be sealcoated and restriped during the next 12 months. Domestic water piping is copper and PVC with no evidence of widespread leakage. Windows and exterior doors are in fair condition; sealant replacement is recommended at selected locations. ADA observations include non-compliant slopes at two accessible routes and signage at parking; cost to cure is estimated at $122,000. Elevators were last modernized 3 years ago and are operating without deficiency. The roofing system exhibits localized ponding and sealant deterioration; spot repairs are recommended within 12 months.

The roofing system exhibits localized ponding and sealant deterioration; spot repairs are recommended within 12 months. Asphalt paving shows alligator cracking and should be sealcoated and restriped during the next 43 months. Electrical service is adequate for current demand; select panels are nearing the end of their useful life. ADA observations include non-compliant slopes at two accessible routes and signage at parking; cost to cure is estimated at $272,000. Domestic water piping is copper and PVC with no evidence of widespread leakage.

Building Systems

The roof is a 7-year membrane system with an estimated remaining useful life of 5 years. The property is walkable to transit, with 42 structured parking spaces shared between uses. The project combines ground-floor retail and restaurant space with upper-level residential and office components. Exterior finishes comprise brick veneer, fiber-cement siding and aluminum storefront glazing in good condition. Residential units are leased on 12-month terms while the commercial component is leased on a triple net basis.

Willow Market Lofts was originally constructed in 1989 and consists of 263,995 SF in a building of 43 stories. Exterior finishes comprise brick veneer, fiber-cement siding and aluminum storefront glazing in good condition. The project combines ground-floor retail and restaurant space with upper-level residential and office components. The roof is a 9-year membrane system with an estimated remaining useful life of 4 years. Life-safety systems include a fully sprinklered building, addressable fire alarm panel and emergency lighting. The structure is of wood-frame, masonry and steel-frame construction on a slab-on-grade foundation.
