Income and Expense Review

Operating expenses totaled $247,000 or approximately 20.61 per square foot, with real estate taxes representing the largest line item. Ancillary income includes tenant insurance, merchandise sales and truck rental commissions. Net operating income is projected to grow at a compound annual rate of 6.1% over the hold period. Management fees are calculated at 6.2% of collected revenue and are included in operating expenses. Unit sizes range from 5x5 to 10x30 and the property is managed by an on-site team with online rental capability. The going-in capitalization rate of 5.39% reflects the in-place income and the stabilized occupancy assumption.

Net operating income is projected to grow at a compound annual rate of 4.9% over the hold period. Effective gross income for the trailing period was $170,000, representing a 9.1% increase over the prior year. Unit sizes range from 5x5 to 10x30 and the property is managed by an on-site team with online rental capability. Management fees are calculated at 3.6% of collected revenue and are included in operating expenses.

Demographics and Employment

Investor demand for Self Storage assets in Kansas City remains strong with recent trades at capitalization rates between 8.16% and 8.16%. Median household income within a 9-mile radius of the property is approximately $229,000 and has grown 8.8% annually. New construction starts have decelerated due to higher financing costs and tighter lending standards, which supports the existing supply. Market vacancy for comparable Self Storage product stands at 4.0%, down from 6.8% two years ago.

Market vacancy for comparable Self Storage product stands at 2.8%, down from 4.5% two years ago. Physical occupancy is 93.3% and the average in-place rent is $99 per unit per month. Median household income within a 8-mile radius of the property is approximately $467,000 and has grown 3.0% annually. New construction starts have decelerated due to higher financing costs and tighter lending standards, which supports the existing supply.

Financial Analysis

Ancillary income includes tenant insurance, merchandise sales and truck rental commissions. Effective gross income for the trailing period was $27,000, representing a 5.3% increase over the prior year. A reserve for replacements of $250 per unit has been underwritten in the cash flow below net operating income. The facility offers climate-controlled and drive-up units, a manager's office, keypad gate access and video surveillance.

The facility offers climate-controlled and drive-up units, a manager's office, keypad gate access and video surveillance. Ancillary income includes tenant insurance, merchandise sales and truck rental commissions. Effective gross income for the trailing period was $147,000, representing a 6.0% increase over the prior year. Net operating income is projected to grow at a compound annual rate of 8.0% over the hold period. The going-in capitalization rate of 5.66% reflects the in-place income and the stabilized occupancy assumption.

Submarket Analysis

The facility offers climate-controlled and drive-up units, a manager's office, keypad gate access and video surveillance. Physical occupancy is 93.4% and the average in-place rent is $99 per unit per month. The Kansas City Self Storage market has experienced absorption of 3200 thousand square feet or equivalent units over the trailing twelve months, outpacing new deliveries. Rent growth in the submarket has averaged 6.0% annually over the past 6 years. Market vacancy for comparable Self Storage product stands at 5.0%, down from 5.1% two years ago. Employment growth is led by healthcare, logistics, education and professional services sectors.

The Kansas City Self Storage market has experienced absorption of 3500 thousand square feet or equivalent units over the trailing twelve months, outpacing new deliveries. Rent growth in the submarket has averaged 4.2% annually over the past 5 years. Unit sizes range from 5x5 to 10x30 and the property is managed by an on-site team with online rental capability. Median household income within a 4-mile radius of the property is approximately $77,000 and has grown 10.9% annually. Aspen Storage Depot is located in Kansas City, MO, a market that has recorded 4.0% population growth over the last five years. Employment growth is led by healthcare, logistics, education and professional services sectors.

Risk Considerations

The business plan contemplates a hold period of 9 years with disposition upon achievement of target returns. Key risks include interest rate exposure, tenant rollover, construction cost overruns and local supply additions. Physical occupancy is 96.7% and the average in-place rent is $99 per unit per month. Unit sizes range from 5x5 to 10x30 and the property is managed by an on-site team with online rental capability. Distributions to investors for the quarter were paid at an annualized rate of 4.6% on contributed capital. Projected levered IRR is 7.4% with an equity multiple of 1.3x over the hold period.

Projected levered IRR is 7.1% with an equity multiple of 1.25x over the hold period. Key risks include interest rate exposure, tenant rollover, construction cost overruns and local supply additions. Physical occupancy is 90.0% and the average in-place rent is $99 per unit per month. The business plan contemplates a hold period of 6 years with disposition upon achievement of target returns. Unit sizes range from 5x5 to 10x30 and the property is managed by an on-site team with online rental capability. Leasing velocity improved during the period and management expects further upward pressure on in-place rents.

Management Commentary

Ancillary income includes tenant insurance, merchandise sales and truck rental commissions. The facility offers climate-controlled and drive-up units, a manager's office, keypad gate access and video surveillance. The manager completes a monthly walk of the property and submits a variance report to the owner by the 4th business day. Physical occupancy is 91.8% and the average in-place rent is $99 per unit per month.

Ancillary income includes tenant insurance, merchandise sales and truck rental commissions. Unit sizes range from 5x5 to 10x30 and the property is managed by an on-site team with online rental capability. The manager completes a monthly walk of the property and submits a variance report to the owner by the 23th business day. Physical occupancy is 93.2% and the average in-place rent is $99 per unit per month.

Investment Overview

Unit sizes range from 5x5 to 10x30 and the property is managed by an on-site team with online rental capability. Ancillary income includes tenant insurance, merchandise sales and truck rental commissions. The investment thesis is based on stabilizing occupancy, completing the capital plan and capturing rent growth to market. Physical occupancy is 96.2% and the average in-place rent is $99 per unit per month. Key risks include interest rate exposure, tenant rollover, construction cost overruns and local supply additions. The business plan contemplates a hold period of 9 years with disposition upon achievement of target returns.

Unit sizes range from 5x5 to 10x30 and the property is managed by an on-site team with online rental capability. Key risks include interest rate exposure, tenant rollover, construction cost overruns and local supply additions. Leasing velocity improved during the period and management expects further upward pressure on in-place rents. The facility offers climate-controlled and drive-up units, a manager's office, keypad gate access and video surveillance. Projected levered IRR is 13.7% with an equity multiple of 1.37x over the hold period.

Property Operations

Ancillary income includes tenant insurance, merchandise sales and truck rental commissions. On-site staffing consists of a property manager, assistant manager, maintenance supervisor and 2 additional team members. Preventive maintenance schedules for HVAC, elevators and life-safety systems were completed on time during the period. Unit sizes range from 5x5 to 10x30 and the property is managed by an on-site team with online rental capability.

The facility offers climate-controlled and drive-up units, a manager's office, keypad gate access and video surveillance. Service requests are tracked through a work-order system with an average completion time of 22 hours. Ancillary income includes tenant insurance, merchandise sales and truck rental commissions. Physical occupancy is 92.4% and the average in-place rent is $99 per unit per month. On-site staffing consists of a property manager, assistant manager, maintenance supervisor and 48 additional team members.

Investment Overview

The facility offers climate-controlled and drive-up units, a manager's office, keypad gate access and video surveillance. Leasing velocity improved during the period and management expects further upward pressure on in-place rents. The business plan contemplates a hold period of 4 years with disposition upon achievement of target returns. Distributions to investors for the quarter were paid at an annualized rate of 3.1% on contributed capital.

Physical occupancy is 94.2% and the average in-place rent is $99 per unit per month. Unit sizes range from 5x5 to 10x30 and the property is managed by an on-site team with online rental capability. The investment thesis is based on stabilizing occupancy, completing the capital plan and capturing rent growth to market. Distributions to investors for the quarter were paid at an annualized rate of 5.3% on contributed capital. Ancillary income includes tenant insurance, merchandise sales and truck rental commissions. Projected levered IRR is 8.0% with an equity multiple of 1.29x over the hold period.
