Summary and Notes

Financial Analysis

The property is located adjacent to a regional hospital campus and benefits from referral-driven tenancy. Operating expenses totaled $222,000 or approximately 18.36 per square foot, with real estate taxes representing the largest line item. The going-in capitalization rate of 7.00% reflects the in-place income and the stabilized occupancy assumption. Rents average $28 per square foot modified gross and leases include tenant improvement allowances for specialized buildout. Net operating income is projected to grow at a compound annual rate of 4.5% over the hold period.

Management fees are calculated at 4.1% of collected revenue and are included in operating expenses. Rents average $28 per square foot modified gross and leases include tenant improvement allowances for specialized buildout. The going-in capitalization rate of 6.66% reflects the in-place income and the stabilized occupancy assumption. The building is configured for physician practices with plumbing in every suite, imaging-ready floor loads and dedicated medical waste storage. Net operating income is projected to grow at a compound annual rate of 6.8% over the hold period.

Property Operations

The property is located adjacent to a regional hospital campus and benefits from referral-driven tenancy. The manager completes a monthly walk of the property and submits a variance report to the owner by the 14th business day. The building is configured for physician practices with plumbing in every suite, imaging-ready floor loads and dedicated medical waste storage. Service requests are tracked through a work-order system with an average completion time of 12 hours. Rents average $28 per square foot modified gross and leases include tenant improvement allowances for specialized buildout.

On-site staffing consists of a property manager, assistant manager, maintenance supervisor and 3 additional team members. Service requests are tracked through a work-order system with an average completion time of 39 hours. Marketing efforts include digital listings, signage, broker outreach and a resident referral program. Collections for the period were 95.2% of billed charges, with bad debt of 3.5% of gross potential income.
