Leasing and Marketing

The facility offers climate-controlled and drive-up units, a manager's office, keypad gate access and video surveillance. Marketing efforts include digital listings, signage, broker outreach and a resident referral program. The manager completes a monthly walk of the property and submits a variance report to the owner by the 16th business day. Unit sizes range from 5x5 to 10x30 and the property is managed by an on-site team with online rental capability. Service requests are tracked through a work-order system with an average completion time of 35 hours. On-site staffing consists of a property manager, assistant manager, maintenance supervisor and 13 additional team members.

Preventive maintenance schedules for HVAC, elevators and life-safety systems were completed on time during the period. Ancillary income includes tenant insurance, merchandise sales and truck rental commissions. The facility offers climate-controlled and drive-up units, a manager's office, keypad gate access and video surveillance. Marketing efforts include digital listings, signage, broker outreach and a resident referral program. On-site staffing consists of a property manager, assistant manager, maintenance supervisor and 21 additional team members.

Management Commentary

Collections for the period were 93.2% of billed charges, with bad debt of 5.8% of gross potential income. Service requests are tracked through a work-order system with an average completion time of 44 hours. Unit sizes range from 5x5 to 10x30 and the property is managed by an on-site team with online rental capability. Preventive maintenance schedules for HVAC, elevators and life-safety systems were completed on time during the period. Physical occupancy is 91.4% and the average in-place rent is $99 per unit per month.

On-site staffing consists of a property manager, assistant manager, maintenance supervisor and 31 additional team members. Collections for the period were 95.6% of billed charges, with bad debt of 3.6% of gross potential income. Unit sizes range from 5x5 to 10x30 and the property is managed by an on-site team with online rental capability. Preventive maintenance schedules for HVAC, elevators and life-safety systems were completed on time during the period. Physical occupancy is 96.9% and the average in-place rent is $99 per unit per month. The facility offers climate-controlled and drive-up units, a manager's office, keypad gate access and video surveillance.

Property Operations

Marketing efforts include digital listings, signage, broker outreach and a resident referral program. Physical occupancy is 93.2% and the average in-place rent is $99 per unit per month. The manager completes a monthly walk of the property and submits a variance report to the owner by the 30th business day. Preventive maintenance schedules for HVAC, elevators and life-safety systems were completed on time during the period. Ancillary income includes tenant insurance, merchandise sales and truck rental commissions. Service requests are tracked through a work-order system with an average completion time of 31 hours.

Ancillary income includes tenant insurance, merchandise sales and truck rental commissions. Summary and Notes

Income and Expense Review

Operating expenses totaled $27,000 or approximately 47.56 per square foot, with real estate taxes representing the largest line item. Net operating income is projected to grow at a compound annual rate of 5.8% over the hold period. Unit sizes range from 5x5 to 10x30 and the property is managed by an on-site team with online rental capability. A reserve for replacements of $250 per unit has been underwritten in the cash flow below net operating income. Ancillary income includes tenant insurance, merchandise sales and truck rental commissions.

Unit sizes range from 5x5 to 10x30 and the property is managed by an on-site team with online rental capability. The facility offers climate-controlled and drive-up units, a manager's office, keypad gate access and video surveillance. Management fees are calculated at 3.8% of collected revenue and are included in operating expenses. The going-in capitalization rate of 6.13% reflects the in-place income and the stabilized occupancy assumption. Debt service coverage ratio was 6.59x on a trailing basis against a covenant minimum of 1.20x.

Leasing and Marketing

Collections for the period were 94.0% of billed charges, with bad debt of 6.0% of gross potential income. Preventive maintenance schedules for HVAC, elevators and life-safety systems were completed on time during the period. Marketing efforts include digital listings, signage, broker outreach and a resident referral program. On-site staffing consists of a property manager, assistant manager, maintenance supervisor and 45 additional team members. Physical occupancy is 92.0% and the average in-place rent is $99 per unit per month. Unit sizes range from 5x5 to 10x30 and the property is managed by an on-site team with online rental capability.

Ancillary income includes tenant insurance, merchandise sales and truck rental commissions. Marketing efforts include digital listings, signage, broker outreach and a resident referral program. Service requests are tracked through a work-order system with an average completion time of 48 hours. Preventive maintenance schedules for HVAC, elevators and life-safety systems were completed on time during the period.
