ALTA SURVEY

Lantern Onyx Tower | Sacramento, CA

Project	Lantern Onyx Tower
Address	2175 Commerce Lane, Sacramento, CA 64780
Client	Cascadia Rock Capital
Field Work Date	November 17, 2020

1. Surveyor's Certificate. To Cascadia Rock Capital, Heartland Title Insurance Co. and Summit Trail Credit Union: this is to certify that this map or plat and the survey on which it is based were made in accordance with the 2021 Minimum Standard Detail Requirements for ALTA/NSPS Land Title Surveys. Each party represents that it has full power and authority to enter into and perform its obligations hereunder. The prevailing party in any action to enforce the terms hereof shall be entitled to recover reasonable attorneys' fees and costs.

2. Legal Description. Being a tract of land situated in the county of record, beginning at an iron rod found at the intersection of the north line of Commerce Lane with the east line of the tract; thence N 40° 40' 40" E, a distance of 4040.40 feet to an iron rod set. Each party represents that it has full power and authority to enter into and perform its obligations hereunder. No waiver of any provision shall be effective unless in writing and signed by the party against whom such waiver is sought.

3. Survey Note 1. The property contains 20.20 acres, more or less, and has direct access to Commerce Lane, a public right of way. Notwithstanding anything to the contrary contained herein, the parties agree that the foregoing shall be construed in accordance with the laws of the State of CA. This instrument shall be binding upon and inure to the benefit of the parties and their respective successors and permitted assigns.

4. Survey Note 2. Parking: 55 regular spaces and 5 accessible spaces were counted on the surveyed property. Each party represents that it has full power and authority to enter into and perform its obligations hereunder. If any term is held invalid or unenforceable, the remaining terms shall continue in full force and effect.

5. Survey Note 3. No evidence of recent earth moving work, building construction or building additions was observed in the process of conducting the fieldwork. No waiver of any provision shall be effective unless in writing and signed by the party against whom such waiver is sought. If any term is held invalid or unenforceable, the remaining terms shall continue in full force and effect.

6. Survey Note 4. The surveyed property lies within Zone X (areas determined to be outside the 0.2% annual chance floodplain) per FIRM panel in effect. Time is of the essence with respect to each and every provision of this instrument. Notwithstanding anything to the contrary contained herein, the parties agree that the foregoing shall be construed in accordance with the laws of the State of CA.

7. Easements. Utility easements as shown on the face of the survey are plotted to the extent described in the record documents provided in the title commitment. This instrument shall be binding upon and inure to the benefit of the parties and their respective successors and permitted assigns. All notices required or permitted hereunder shall be in writing and delivered by certified mail, nationally recognized overnight courier or electronic mail with confirmation of receipt.

8. Surveyor's Certificate. To Cascadia Rock Capital, Heartland Title Insurance Co. and Summit Trail Credit Union: this is to certify that this map or plat and the survey on which it is based were made in accordance with the 2021 Minimum Standard Detail Requirements for ALTA/NSPS Land Title Surveys. This instrument shall be binding upon and inure to the benefit of the parties and their respective successors and permitted assigns. No waiver of any provision shall be effective unless in writing and signed by the party against whom such waiver is sought.

9. Legal Description. Being a tract of land situated in the county of record, beginning at an iron rod found at the intersection of the north line of Commerce Lane with the east line of the tract; thence N 45° 45' 45" E, a distance of 4545.45 feet to an iron rod set. Notwithstanding anything to the contrary contained herein, the parties agree that the foregoing shall be construed in accordance with the laws of the State of CA. No waiver of any provision shall be effective unless in writing and signed by the party against whom such waiver is sought.

10. Survey Note 1. The property contains 43.43 acres, more or less, and has direct access to Commerce Lane, a public right of way. Time is of the essence with respect to each and every provision of this instrument. No waiver of any provision shall be effective unless in writing and signed by the party against whom such waiver is sought.

11. Survey Note 2. Parking: 3232 regular spaces and 32 accessible spaces were counted on the surveyed property. No waiver of any provision shall be effective unless in writing and signed by the party against whom such waiver is sought. The prevailing party in any action to enforce the terms hereof shall be entitled to recover reasonable attorneys' fees and costs.

12. Survey Note 3. No evidence of recent earth moving work, building construction or building additions was observed in the process of conducting the fieldwork. If any term is held invalid or unenforceable, the remaining terms shall continue in full force and effect. Each party represents that it has full power and authority to enter into and perform its obligations hereunder.

13. Survey Note 4. The surveyed property lies within Zone X (areas determined to be outside the 0.2% annual chance floodplain) per FIRM panel in effect. All notices required or permitted hereunder shall be in writing and delivered by certified mail, nationally recognized overnight courier or electronic mail with confirmation of receipt. This instrument shall be binding upon and inure to the benefit of the parties and their respective successors and permitted assigns.

14. Easements. Utility easements as shown on the face of the survey are plotted to the extent described in the record documents provided in the title commitment. If any term is held invalid or unenforceable, the remaining terms shall continue in full force and effect. Each party represents that it has full power and authority to enter into and perform its obligations hereunder.

Access and Utilities

Soils are typical of the region and no evidence of unsuitable conditions was observed at the time of inspection. Surrounding land uses include residential, commercial and light industrial properties of similar vintage. Access to the site is provided by 39 curb cuts and the property is served by municipal water and sanitary sewer. The site contains approximately 9.9 acres and is generally level with frontage along Commerce Lane. The site is not located within a designated 100-year floodplain according to the FEMA flood map in effect. Utilities, including electric, natural gas and telecommunications, are available to the site from the street.

Access to the site is provided by 32 curb cuts and the property is served by municipal water and sanitary sewer. Soils are typical of the region and no evidence of unsuitable conditions was observed at the time of inspection. The site contains approximately 19.19 acres and is generally level with frontage along Commerce Lane. Surrounding land uses include residential, commercial and light industrial properties of similar vintage.

Site Description

Surrounding land uses include residential, commercial and light industrial properties of similar vintage. Soils are typical of the region and no evidence of unsuitable conditions was observed at the time of inspection. The site contains approximately 40.40 acres and is generally level with frontage along Commerce Lane.
