Permitted Uses and Parking

The property is zoned in accordance with the Charlotte Unified Development Ordinance and the current use is a legally permitted use. Parking is conforming with 19 spaces provided versus 19 spaces required by code. A certificate of occupancy was issued on file for the existing improvements. Setback, height, parking and lot coverage requirements are satisfied based on the information provided by the municipality. The zoning ordinance permits rebuilding to current density if the improvements are destroyed by casualty. There are no open building code violations or pending special assessments on file with the municipality as of the date of this letter.

A certificate of occupancy was issued on file for the existing improvements. Parking is conforming with 14 spaces provided versus 14 spaces required by code. The property is zoned in accordance with the Charlotte Unified Development Ordinance and the current use is a legally permitted use. There are no open building code violations or pending special assessments on file with the municipality as of the date of this letter. Setback, height, parking and lot coverage requirements are satisfied based on the information provided by the municipality.

Valuation Discussion

Residential units are leased on 12-month terms while the commercial component is leased on a triple net basis. Effective gross income for the trailing period was $273,000, representing a 3.9% increase over the prior year. Debt service coverage ratio was 6.45x on a trailing basis against a covenant minimum of 1.20x. Percentage rent and CAM reimbursements are tracked separately for the commercial component. The project combines ground-floor retail and restaurant space with upper-level residential and office components.

Effective gross income for the trailing period was $26,000, representing a 8.2% increase over the prior year. Management fees are calculated at 7.4% of collected revenue and are included in operating expenses. Residential units are leased on 12-month terms while the commercial component is leased on a triple net basis. Operating expenses totaled $232,000 or approximately 32.48 per square foot, with real estate taxes representing the largest line item.

Zoning Classification

Parking is conforming with 9 spaces provided versus 9 spaces required by code. A certificate of occupancy was issued on file for the existing improvements. The zoning ordinance permits rebuilding to current density if the improvements are destroyed by casualty. There are no open building code violations or pending special assessments on file with the municipality as of the date of this letter.

The property is zoned in accordance with the Charlotte Unified Development Ordinance and the current use is a legally permitted use. Parking is conforming with 42 spaces provided versus 42 spaces required by code. The zoning ordinance permits rebuilding to current density if the improvements are destroyed by casualty. There are no open building code violations or pending special assessments on file with the municipality as of the date of this letter. Setback, height, parking and lot coverage requirements are satisfied based on the information provided by the municipality.

Financial Analysis

The project combines ground-floor retail and restaurant space with upper-level residential and office components. The property is walkable to transit, with 4 structured parking spaces shared between uses. Operating expenses totaled $300,000 or approximately 40.39 per square foot, with real estate taxes representing the largest line item. Percentage rent and CAM reimbursements are tracked separately for the commercial component. Net operating income is projected to grow at a compound annual rate of 5.6% over the hold period.

The going-in capitalization rate of 7.72% reflects the in-place income and the stabilized occupancy assumption. Management fees are calculated at 4.0% of collected revenue and are included in operating expenses. Residential units are leased on 12-month terms while the commercial component is leased on a triple net basis. Percentage rent and CAM reimbursements are tracked separately for the commercial component.

Zoning Classification

Parking is conforming with 11 spaces provided versus 11 spaces required by code. The property is zoned in accordance with the Charlotte Unified Development Ordinance and the current use is a legally permitted use. The zoning ordinance permits rebuilding to current density if the improvements are destroyed by casualty. A certificate of occupancy was issued on file for the existing improvements. There are no open building code violations or pending special assessments on file with the municipality as of the date of this letter. Setback, height, parking and lot coverage requirements are satisfied based on the information provided by the municipality.

Permitted Uses and Parking

Parking is conforming with 20 spaces provided versus 20 spaces required by code. There are no open building code violations or pending special assessments on file with the municipality as of the date of this letter. The zoning ordinance permits rebuilding to current density if the improvements are destroyed by casualty. The property is zoned in accordance with the Charlotte Unified Development Ordinance and the current use is a legally permitted use. Setback, height, parking and lot coverage requirements are satisfied based on the information provided by the municipality.

A certificate of occupancy was issued on file for the existing improvements. The zoning ordinance permits rebuilding to current density if the improvements are destroyed by casualty. The property is zoned in accordance with the Charlotte Unified Development Ordinance and the current use is a legally permitted use. Parking is conforming with 28 spaces provided versus 28 spaces required by code. Setback, height, parking and lot coverage requirements are satisfied based on the information provided by the municipality. There are no open building code violations or pending special assessments on file with the municipality as of the date of this letter.

Valuation Discussion

The project combines ground-floor retail and restaurant space with upper-level residential and office components. Management fees are calculated at 3.1% of collected revenue and are included in operating expenses. Residential units are leased on 12-month terms while the commercial component is leased on a triple net basis. Effective gross income for the trailing period was $91,000, representing a 13.2% increase over the prior year. A reserve for replacements of $250 per unit has been underwritten in the cash flow below net operating income.

The project combines ground-floor retail and restaurant space with upper-level residential and office components. Net operating income is projected to grow at a compound annual rate of 6.3% over the hold period. Debt service coverage ratio was 8.06x on a trailing basis against a covenant minimum of 1.20x. Management fees are calculated at 5.2% of collected revenue and are included in operating expenses.

Zoning Classification

The zoning ordinance permits rebuilding to current density if the improvements are destroyed by casualty. There are no open building code violations or pending special assessments on file with the municipality as of the date of this letter. The property is zoned in accordance with the Charlotte Unified Development Ordinance and the current use is a legally permitted use. Parking is conforming with 41 spaces provided versus 41 spaces required by code. A certificate of occupancy was issued on file for the existing improvements.

Parking is conforming with 6 spaces provided versus 6 spaces required by code. There are no open building code violations or pending special assessments on file with the municipality as of the date of this letter. A certificate of occupancy was issued on file for the existing improvements. The property is zoned in accordance with the Charlotte Unified Development Ordinance and the current use is a legally permitted use. The zoning ordinance permits rebuilding to current density if the improvements are destroyed by casualty.

Operating Performance

The going-in capitalization rate of 7.78% reflects the in-place income and the stabilized occupancy assumption. Effective gross income for the trailing period was $350,000, representing a 11.9% increase over the prior year. Residential units are leased on 12-month terms while the commercial component is leased on a triple net basis. Percentage rent and CAM reimbursements are tracked separately for the commercial component. A reserve for replacements of $250 per unit has been underwritten in the cash flow below net operating income.

Percentage rent and CAM reimbursements are tracked separately for the commercial component. A reserve for replacements of $250 per unit has been underwritten in the cash flow below net operating income. The project combines ground-floor retail and restaurant space with upper-level residential and office components. Debt service coverage ratio was 5.47x on a trailing basis against a covenant minimum of 1.20x. Residential units are leased on 12-month terms while the commercial component is leased on a triple net basis.
