Management Commentary

Physical occupancy is 88.3% and the average in-place rent is $167 per unit per month. On-site staffing consists of a property manager, assistant manager, maintenance supervisor and 38 additional team members. The manager completes a monthly walk of the property and submits a variance report to the owner by the 39th business day. The facility offers climate-controlled and drive-up units, a manager's office, keypad gate access and video surveillance. Service requests are tracked through a work-order system with an average completion time of 40 hours. Collections for the period were 93.2% of billed charges, with bad debt of 3.7% of gross potential income.

Ancillary income includes tenant insurance, merchandise sales and truck rental commissions. Service requests are tracked through a work-order system with an average completion time of 42 hours. Collections for the period were 90.4% of billed charges, with bad debt of 7.6% of gross potential income. Unit sizes range from 5x5 to 10x30 and the property is managed by an on-site team with online rental capability. Marketing efforts include digital listings, signage, broker outreach and a resident referral program. On-site staffing consists of a property manager, assistant manager, maintenance supervisor and 18 additional team members.

Leasing and Marketing

Marketing efforts include digital listings, signage, broker outreach and a resident referral program. Collections for the period were 91.2% of billed charges, with bad debt of 5.0% of gross potential income. On-site staffing consists of a property manager, assistant manager, maintenance supervisor and 46 additional team members. Service requests are tracked through a work-order system with an average completion time of 48 hours.

Physical occupancy is 88.3% and the average in-place rent is $167 per unit per month. Marketing efforts include digital listings, signage, broker outreach and a resident referral program. Ancillary income includes tenant insurance, merchandise sales and truck rental commissions. Service requests are tracked through a work-order system with an average completion time of 31 hours. On-site staffing consists of a property manager, assistant manager, maintenance supervisor and 8 additional team members. The facility offers climate-controlled and drive-up units, a manager's office, keypad gate access and video surveillance.

Management Commentary

Ancillary income includes tenant insurance, merchandise sales and truck rental commissions. Unit sizes range from 5x5 to 10x30 and the property is managed by an on-site team with online rental capability. On-site staffing consists of a property manager, assistant manager, maintenance supervisor and 39 additional team members. Collections for the period were 92.5% of billed charges, with bad debt of 3.7% of gross potential income.

Service requests are tracked through a work-order system with an average completion time of 8 hours. Preventive maintenance schedules for HVAC, elevators and life-safety systems were completed on time during the period. The manager completes a monthly walk of the property and submits a variance report to the owner by the 9th business day. On-site staffing consists of a property manager, assistant manager, maintenance supervisor and 12 additional team members. Physical occupancy is 92.2% and the average in-place rent is $167 per unit per month.
