# ALTA SURVEY

Pinecrest Apartments | Riverside, CA

| | |
|---|---|
| **Project** | Pinecrest Apartments |
| **Address** | 992 Centennial Lane, Riverside, CA 72776 |
| **Client** | Granite Lane Realty |
| **Field Work Date** | November 8, 2023 |

**1. Surveyor's Certificate.** To Granite Lane Realty, Heartland Title Insurance Co. and Lakeland Agency Lending: this is to certify that this map or plat and the survey on which it is based were made in accordance with the 2021 Minimum Standard Detail Requirements for ALTA/NSPS Land Title Surveys. The prevailing party in any action to enforce the terms hereof shall be entitled to recover reasonable attorneys' fees and costs. All notices required or permitted hereunder shall be in writing and delivered by certified mail, nationally recognized overnight courier or electronic mail with confirmation of receipt.

**2. Legal Description.** Being a tract of land situated in the county of record, beginning at an iron rod found at the intersection of the north line of Centennial Lane with the east line of the tract; thence N 7° 7' 7" E, a distance of 77.7 feet to an iron rod set. If any term is held invalid or unenforceable, the remaining terms shall continue in full force and effect. All notices required or permitted hereunder shall be in writing and delivered by certified mail, nationally recognized overnight courier or electronic mail with confirmation of receipt.

**3. Survey Note 1.** The property contains 43.43 acres, more or less, and has direct access to Centennial Lane, a public right of way. This instrument shall be binding upon and inure to the benefit of the parties and their respective successors and permitted assigns. Notwithstanding anything to the contrary contained herein, the parties agree that the foregoing shall be construed in accordance with the laws of the State of CA.

**4. Survey Note 2.** Parking: 3535 regular spaces and 35 accessible spaces were counted on the surveyed property. No waiver of any provision shall be effective unless in writing and signed by the party against whom such waiver is sought. Time is of the essence with respect to each and every provision of this instrument.

**5. Survey Note 3.** No evidence of recent earth moving work, building construction or building additions was observed in the process of conducting the fieldwork. Notwithstanding anything to the contrary contained herein, the parties agree that the foregoing shall be construed in accordance with the laws of the State of CA. Each party represents that it has full power and authority to enter into and perform its obligations hereunder.

**6. Survey Note 4.** The surveyed property lies within Zone X (areas determined to be outside the 0.2% annual chance floodplain) per FIRM panel in effect. No waiver of any provision shall be effective unless in writing and signed by the party against whom such waiver is sought. All notices required or permitted hereunder shall be in writing and delivered by certified mail, nationally recognized overnight courier or electronic mail with confirmation of receipt.

**7. Easements.** Utility easements as shown on the face of the survey are plotted to the extent described in the record documents provided in the title commitment. No waiver of any provision shall be effective unless in writing and signed by the party against whom such waiver is sought. Notwithstanding anything to the contrary contained herein, the parties agree that the foregoing shall be construed in accordance with the laws of the State of CA.

**8. Surveyor's Certificate.** To Granite Lane Realty, Heartland Title Insurance Co. and Lakeland Agency Lending: this is to certify that this map or plat and the survey on which it is based were made in accordance with the 2021 Minimum Standard Detail Requirements for ALTA/NSPS Land Title Surveys. Each party represents that it has full power and authority to enter into and perform its obligations hereunder. If any term is held invalid or unenforceable, the remaining terms shall continue in full force and effect.

**9. Legal Description.** Being a tract of land situated in the county of record, beginning at an iron rod found at the intersection of the north line of Centennial Lane with the east line of the tract; thence N 20° 20' 20" E, a distance of 2020.20 feet to an iron rod set. Time is of the essence with respect to each and every provision of this instrument. If any term is held invalid or unenforceable, the remaining terms shall continue in full force and effect.

**10. Survey Note 1.** The property contains 30.30 acres, more or less, and has direct access to Centennial Lane, a public right of way. All notices required or permitted hereunder shall be in writing and delivered by certified mail, nationally recognized overnight courier or electronic mail with confirmation of receipt. The prevailing party in any action to enforce the terms hereof shall be entitled to recover reasonable attorneys' fees and costs.

**11. Survey Note 2.** Parking: 3333 regular spaces and 33 accessible spaces were counted on the surveyed property. If any term is held invalid or unenforceable, the remaining terms shall continue in full force and effect. The prevailing party in any action to enforce the terms hereof shall be entitled to recover reasonable attorneys' fees and costs.

**12. Survey Note 3.** No evidence of recent earth moving work, building construction or building additions was observed in the process of conducting the fieldwork. Each party represents that it has full power and authority to enter into and perform its obligations hereunder. The prevailing party in any action to enforce the terms hereof shall be entitled to recover reasonable attorneys' fees and costs.

**13. Survey Note 4.** The surveyed property lies within Zone X (areas determined to be outside the 0.2% annual chance floodplain) per FIRM panel in effect. This instrument shall be binding upon and inure to the benefit of the parties and their respective successors and permitted assigns. All notices required or permitted hereunder shall be in writing and delivered by certified mail, nationally recognized overnight courier or electronic mail with confirmation of receipt.

**14. Easements.** Utility easements as shown on the face of the survey are plotted to the extent described in the record documents provided in the title commitment. Time is of the essence with respect to each and every provision of this instrument. All notices required or permitted hereunder shall be in writing and delivered by certified mail, nationally recognized overnight courier or electronic mail with confirmation of receipt.

## Topography and Flood Zone

The site is not located within a designated 100-year floodplain according to the FEMA flood map in effect. Access to the site is provided by 21 curb cuts and the property is served by municipal water and sanitary sewer. Surrounding land uses include residential, commercial and light industrial properties of similar vintage. The site contains approximately 40.40 acres and is generally level with frontage along Centennial Lane.

The site contains approximately 32.32 acres and is generally level with frontage along Centennial Lane. Utilities, including electric, natural gas and telecommunications, are available to the site from the street. Surrounding land uses include residential, commercial and light industrial properties of similar vintage. Access to the site is provided by 13 curb cuts and the property is served by municipal water and sanitary sewer.

## Access and Utilities

Utilities, including electric, natural gas and telecommunications, are available to the site from the street. Surrounding land uses include residential, commercial and light industrial properties of similar vintage. The site is not located within a designated 100-year floodplain according to the FEMA flood map in effect. Soils are typical of the region and no evidence of unsuitable conditions was observed at the time of inspection. Access to the site is provided by 29 curb cuts and the property is served by municipal water and sanitary sewer. The site contains approximately 43.43 acres and is generally level with frontage along Centennial Lane.

Utilities, including electric, natural gas and telecommunications, are available to the site from the street. The site contains approximately 39.39 acres and is generally level with frontage along Centennial Lane. Access to the site is provided by 42 curb cuts and the property is served by municipal water and sanitary sewer. The site is not located within a designated 100-year floodplain according to the FEMA flood map in effect. Surrounding land uses include residential, commercial and light industrial properties of similar vintage. Soils are typical of the region and no evidence of unsuitable conditions was observed at the time of inspection.

## Site Description

The site contains approximately 46.46 acres and is generally level with frontage along Centennial Lane. Access to the site is provided by 8 curb cuts and the property is served by municipal water and sanitary sewer. Surrounding land uses include residential, commercial and light industrial properties of similar vintage. Soils are typical of the region and no evidence of unsuitable conditions was observed at the time of inspection. The site is not located within a designated 100-year floodplain according to the FEMA flood map in effect. Utilities, including electric, natural gas and telecommunications, are available to the site from the street.
