APPRAISAL REPORT

Nautilus Onyx Tower | Richmond, VA

Subject Property	Nautilus Onyx Tower
Address	4130 Sunset Avenue, Richmond, VA 94456
Property Rights Appraised	Fee Simple
Effective Date of Value	January 1, 2021
Market Value Conclusion	$103,430,000

Submarket Analysis

Rent growth in the submarket has averaged 5.4% annually over the past 9 years. The building is served by redundant elevators, a backup generator and a high-efficiency chiller plant. New construction starts have decelerated due to higher financing costs and tighter lending standards, which supports the existing supply. Weighted average lease term remaining is 4 years and in-place rents average $48 per square foot, full service gross.

Market vacancy for comparable Office product stands at 13.7%, down from 6.0% two years ago. Rent growth in the submarket has averaged 3.3% annually over the past 3 years. Floor plates are efficient and column-spacing supports open and private-office layouts. New construction starts have decelerated due to higher financing costs and tighter lending standards, which supports the existing supply. Nautilus Onyx Tower is located in Richmond, VA, a market that has recorded 7.2% population growth over the last five years.

Access and Utilities

The site contains approximately 10.10 acres and is generally level with frontage along Sunset Avenue. Utilities, including electric, natural gas and telecommunications, are available to the site from the street. Surrounding land uses include residential, commercial and light industrial properties of similar vintage. Access to the site is provided by 2 curb cuts and the property is served by municipal water and sanitary sewer. The site is not located within a designated 100-year floodplain according to the FEMA flood map in effect.

Soils are typical of the region and no evidence of unsuitable conditions was observed at the time of inspection. The site contains approximately 43.43 acres and is generally level with frontage along Sunset Avenue. The site is not located within a designated 100-year floodplain according to the FEMA flood map in effect. Surrounding land uses include residential, commercial and light industrial properties of similar vintage. Utilities, including electric, natural gas and telecommunications, are available to the site from the street.

Supply and Demand

Employment growth is led by healthcare, logistics, education and professional services sectors. The Richmond Office market has experienced absorption of 4500 thousand square feet or equivalent units over the trailing twelve months, outpacing new deliveries. Rent growth in the submarket has averaged 7.8% annually over the past 11 years. The building is served by redundant elevators, a backup generator and a high-efficiency chiller plant. Market vacancy for comparable Office product stands at 6.7%, down from 6.3% two years ago.

Median household income within a 1-mile radius of the property is approximately $117,000 and has grown 7.5% annually. Market vacancy for comparable Office product stands at 5.9%, down from 3.9% two years ago. The Richmond Office market has experienced absorption of 4700 thousand square feet or equivalent units over the trailing twelve months, outpacing new deliveries. The building features a renovated lobby, structured parking at a ratio of 45 per 1,000 square feet, and a tenant lounge with fitness center.

Topography and Flood Zone

Soils are typical of the region and no evidence of unsuitable conditions was observed at the time of inspection. Surrounding land uses include residential, commercial and light industrial properties of similar vintage. The site is not located within a designated 100-year floodplain according to the FEMA flood map in effect. Access to the site is provided by 38 curb cuts and the property is served by municipal water and sanitary sewer.

Income and Expense Review

Management fees are calculated at 5.6% of collected revenue and are included in operating expenses. Effective gross income for the trailing period was $142,000, representing a 8.4% increase over the prior year. The building features a renovated lobby, structured parking at a ratio of 13 per 1,000 square feet, and a tenant lounge with fitness center. The going-in capitalization rate of 5.95% reflects the in-place income and the stabilized occupancy assumption. Operating expenses totaled $183,000 or approximately 41.54 per square foot, with real estate taxes representing the largest line item. Floor plates are efficient and column-spacing supports open and private-office layouts.

The building is served by redundant elevators, a backup generator and a high-efficiency chiller plant. Debt service coverage ratio was 5.01x on a trailing basis against a covenant minimum of 1.20x. A reserve for replacements of $250 per unit has been underwritten in the cash flow below net operating income. Floor plates are efficient and column-spacing supports open and private-office layouts. The building features a renovated lobby, structured parking at a ratio of 19 per 1,000 square feet, and a tenant lounge with fitness center.

Financial Analysis

Operating expenses totaled $131,000 or approximately 13.28 per square foot, with real estate taxes representing the largest line item. The building features a renovated lobby, structured parking at a ratio of 8 per 1,000 square feet, and a tenant lounge with fitness center. Effective gross income for the trailing period was $121,000, representing a 5.9% increase over the prior year. Floor plates are efficient and column-spacing supports open and private-office layouts. Management fees are calculated at 7.6% of collected revenue and are included in operating expenses. The building is served by redundant elevators, a backup generator and a high-efficiency chiller plant.

The going-in capitalization rate of 6.11% reflects the in-place income and the stabilized occupancy assumption. Operating expenses totaled $9,000 or approximately 41.26 per square foot, with real estate taxes representing the largest line item. Weighted average lease term remaining is 3 years and in-place rents average $48 per square foot, full service gross. A reserve for replacements of $250 per unit has been underwritten in the cash flow below net operating income.

Operating Performance

The building features a renovated lobby, structured parking at a ratio of 6 per 1,000 square feet, and a tenant lounge with fitness center. The going-in capitalization rate of 5.30% reflects the in-place income and the stabilized occupancy assumption. Effective gross income for the trailing period was $247,000, representing a 9.7% increase over the prior year. The building is served by redundant elevators, a backup generator and a high-efficiency chiller plant. Floor plates are efficient and column-spacing supports open and private-office layouts. Operating expenses totaled $424,000 or approximately 20.91 per square foot, with real estate taxes representing the largest line item.

A reserve for replacements of $250 per unit has been underwritten in the cash flow below net operating income. The building is served by redundant elevators, a backup generator and a high-efficiency chiller plant. The going-in capitalization rate of 6.33% reflects the in-place income and the stabilized occupancy assumption. The building features a renovated lobby, structured parking at a ratio of 28 per 1,000 square feet, and a tenant lounge with fitness center. Net operating income is projected to grow at a compound annual rate of 4.9% over the hold period. Weighted average lease term remaining is 7 years and in-place rents average $48 per square foot, full service gross.

Submarket Analysis

Investor demand for Office assets in Richmond remains strong with recent trades at capitalization rates between 5.46% and 5.46%. Market vacancy for comparable Office product stands at 9.2%, down from 3.1% two years ago. Weighted average lease term remaining is 4 years and in-place rents average $48 per square foot, full service gross. The building is served by redundant elevators, a backup generator and a high-efficiency chiller plant.

Floor plates are efficient and column-spacing supports open and private-office layouts. Weighted average lease term remaining is 7 years and in-place rents average $48 per square foot, full service gross. Investor demand for Office assets in Richmond remains strong with recent trades at capitalization rates between 8.11% and 8.11%. Market vacancy for comparable Office product stands at 9.6%, down from 3.9% two years ago. Median household income within a 7-mile radius of the property is approximately $360,000 and has grown 13.3% annually. The building is served by redundant elevators, a backup generator and a high-efficiency chiller plant.

Topography and Flood Zone

Access to the site is provided by 24 curb cuts and the property is served by municipal water and sanitary sewer. Surrounding land uses include residential, commercial and light industrial properties of similar vintage. The site contains approximately 36.36 acres and is generally level with frontage along Sunset Avenue. Utilities, including electric, natural gas and telecommunications, are available to the site from the street. The site is not located within a designated 100-year floodplain according to the FEMA flood map in effect. Soils are typical of the region and no evidence of unsuitable conditions was observed at the time of inspection.

The site contains approximately 18.18 acres and is generally level with frontage along Sunset Avenue. Soils are typical of the region and no evidence of unsuitable conditions was observed at the time of inspection. The site is not located within a designated 100-year floodplain according to the FEMA flood map in effect. Surrounding land uses include residential, commercial and light industrial properties of similar vintage. Access to the site is provided by 4 curb cuts and the property is served by municipal water and sanitary sewer. Utilities, including electric, natural gas and telecommunications, are available to the site from the street.

Market Overview

Weighted average lease term remaining is 5 years and in-place rents average $48 per square foot, full service gross. Employment growth is led by healthcare, logistics, education and professional services sectors. Investor demand for Office assets in Richmond remains strong with recent trades at capitalization rates between 6.39% and 6.39%. Median household income within a 6-mile radius of the property is approximately $144,000 and has grown 12.6% annually. The building is served by redundant elevators, a backup generator and a high-efficiency chiller plant. The Richmond Office market has experienced absorption of 4700 thousand square feet or equivalent units over the trailing twelve months, outpacing new deliveries.

Floor plates are efficient and column-spacing supports open and private-office layouts. Nautilus Onyx Tower is located in Richmond, VA, a market that has recorded 12.7% population growth over the last five years. Weighted average lease term remaining is 3 years and in-place rents average $48 per square foot, full service gross. New construction starts have decelerated due to higher financing costs and tighter lending standards, which supports the existing supply.

Access and Utilities

Utilities, including electric, natural gas and telecommunications, are available to the site from the street. Soils are typical of the region and no evidence of unsuitable conditions was observed at the time of inspection. The site contains approximately 42.42 acres and is generally level with frontage along Sunset Avenue. Surrounding land uses include residential, commercial and light industrial properties of similar vintage. The site is not located within a designated 100-year floodplain according to the FEMA flood map in effect.

Improvements Description

The building is served by redundant elevators, a backup generator and a high-efficiency chiller plant. Common area interiors have been refreshed within the last 3 years and are in average to good condition. Life-safety systems include a fully sprinklered building, addressable fire alarm panel and emergency lighting. Exterior finishes comprise brick veneer, fiber-cement siding and aluminum storefront glazing in good condition. Nautilus Onyx Tower was originally constructed in 1965 and consists of 337,986 SF in a building of 16 stories.

Nautilus Onyx Tower was originally constructed in 1965 and consists of 337,986 SF in a building of 9 stories. Weighted average lease term remaining is 5 years and in-place rents average $48 per square foot, full service gross. Floor plates are efficient and column-spacing supports open and private-office layouts. The building is served by redundant elevators, a backup generator and a high-efficiency chiller plant. Mechanical systems include rooftop package units and central plant equipment of varying age.

Improvements Description

Nautilus Onyx Tower was originally constructed in 1965 and consists of 337,986 SF in a building of 7 stories. Mechanical systems include rooftop package units and central plant equipment of varying age. The building is served by redundant elevators, a backup generator and a high-efficiency chiller plant. Exterior finishes comprise brick veneer, fiber-cement siding and aluminum storefront glazing in good condition.

Life-safety systems include a fully sprinklered building, addressable fire alarm panel and emergency lighting. The building is served by redundant elevators, a backup generator and a high-efficiency chiller plant. The roof is a 32-year membrane system with an estimated remaining useful life of 7 years. Common area interiors have been refreshed within the last 6 years and are in average to good condition. The building features a renovated lobby, structured parking at a ratio of 36 per 1,000 square feet, and a tenant lounge with fitness center.

Building Systems

Nautilus Onyx Tower was originally constructed in 1965 and consists of 337,986 SF in a building of 38 stories. Weighted average lease term remaining is 4 years and in-place rents average $48 per square foot, full service gross. Mechanical systems include rooftop package units and central plant equipment of varying age. Common area interiors have been refreshed within the last 10 years and are in average to good condition. Life-safety systems include a fully sprinklered building, addressable fire alarm panel and emergency lighting.

Nautilus Onyx Tower was originally constructed in 1965 and consists of 337,986 SF in a building of 26 stories. The roof is a 28-year membrane system with an estimated remaining useful life of 12 years. Exterior finishes comprise brick veneer, fiber-cement siding and aluminum storefront glazing in good condition. Weighted average lease term remaining is 10 years and in-place rents average $48 per square foot, full service gross. The building features a renovated lobby, structured parking at a ratio of 6 per 1,000 square feet, and a tenant lounge with fitness center.
